Forward-Looking Statements

Statements made in this press release and made during the investor events referenced herein may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainty. Such statements are based on management's current expectations and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. The Company cautions investors that there can be no assurance that actual results or business conditions will not differ materially from those projected or suggested in such forward-looking statements as a result of various factors. Forward-looking statements include the references to the Company's strategy in significantly repositioning the ATEC brand and turning the Company into a growth organization. The important factors that could cause actual operating results to differ significantly from those expressed or implied by such forward-looking statements include, but are not limited to: the uncertainty of success in developing new products or products currently in the Company's pipeline; the uncertainties in the Company's ability to execute upon its strategic operating plan; the uncertainties regarding the ability to successfully license or acquire new products, and the commercial success of such products; failure to achieve acceptance of the Company's products by the surgeon community; failure to obtain FDA or other regulatory clearance or approval for new products, or unexpected or prolonged delays in the process; continuation of favorable third party reimbursement for procedures performed using the Company's products; unanticipated expenses or liabilities or other adverse events affecting cash flow or the Company's ability to successfully control its costs or achieve profitability; uncertainty of additional funding; the Company's ability to compete with other competing products and with emerging new technologies; product liability exposure; an unsuccessful outcome in any litigation in which the Company is a defendant; patent infringement claims; claims related to the Company's intellectual property and the Company's ability to meet its financial obligations under its credit agreements and the OrthoTec, LLC settlement agreement. The words "believe," "will," "should," "expect," "intend," "estimate" and "anticipate," variations of such words and similar expressions identify forward-looking statements, but their absence does not mean that a statement is not a forward-looking statement. A further list and description of these and other factors, risks and uncertainties can be found in the Company's most recent annual report, and any subsequent quarterly and current reports, filed with the Securities and Exchange Commission. ATEC disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, unless required by law.
