IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why is the Company Soliciting My Proxy?

The Board of Directors of Alphatec Holdings, Inc. is soliciting your proxy to vote at the Annual Meeting to be held at our corporate headquarters, located at 5818 El Camino Real, Carlsbad, CA 92008 on June 26, 2014, at 2:00 p.m., Pacific Time, and any adjournments of the meeting. The proxy statement along with the accompanying Notice of 2014 Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know in order to vote at the Annual Meeting.

We have made available to you on the Internet or have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 because you owned shares of Alphatec Holdings, Inc. common stock on the record date.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on April 29, 2014 are entitled to vote at the Annual Meeting. On this record date, there were 97,675,388 shares of Alphatec Holdings, Inc. common stock outstanding and entitled to vote. Alphatec Holdings, Inc. common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. For instructions on how to change or revoke your proxy, see “May I Change or Revoke My Proxy?” below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card. You may specify whether your shares should be voted for or withheld for each nominee for director and whether your shares should be voted for, against or abstain with respect to both of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board’s recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Computershare, Inc. (“Computershare”), 480 Washington Ave., Jersey City, NJ 07310, or you have stock certificates, you may vote:

- **By mail.** Complete, sign, date and return by mail the enclosed proxy card, a copy of which is attached hereto as Appendix A, in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the recommendation of our Board of Directors as noted below.
- **In person at the meeting.** If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you will receive instructions from the holder of record as to how to vote your shares which you must follow in order for your shares to be voted. Telephone and Internet voting may also be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote in person at the meeting you should contact the broker or other nominee who holds your shares to obtain a legal proxy or broker’s proxy card and bring it with you to the Annual Meeting. You will not be able to vote at the Annual Meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

- **“FOR”** the election of the nominees for director;
- **“FOR”** the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014; and
- **“FOR”** the compensation of our named executive officers as discussed in this proxy statement.

If any other matter is presented at the Annual Meeting, your proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the Annual Meeting. You may revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it as instructed above;
- notifying us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Eburn S. Garner, Esq., General Counsel, Senior Vice President and Corporate Secretary, in writing before the Annual Meeting that you have revoked your proxy; or
- attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the Annual Meeting that the proxy be revoked.

Your most-current proxy card is the one that will be counted.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under “How Do I Vote?”

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee has the authority to vote your unvoted shares only on the ratification of the appointment of our independent registered public accounting firm on Proposal 2 of this proxy statement if it does not receive instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the meeting and in the manner you desire. A “broker non-vote” will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting.

Your bank, broker or other nominee does not have the ability to vote your uninstructed shares in the election of directors. Therefore, if you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the election of directors (Proposal 1 of this proxy statement). In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank, broker or other nominee was allowed to vote your shares on your behalf in the election of directors as it deemed appropriate. In addition, your bank, broker or other nominee is prohibited from voting your uninstructed shares on the advisory vote on the compensation of our named executive officers (Proposal 3 of this proxy statement). Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote with respect to the election of directors or the advisory vote on the compensation of our named executive officers (Proposals 1 and 3), no votes will be cast on these proposals on your behalf.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a “plurality” of the votes) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Auditors

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions have no effect on the results of this vote. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for 2014, the Audit Committee of our Board of Directors will reconsider its selection.

Proposal 3: Approve an Advisory Vote on the Compensation of our Named Executive Officers

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to approve, on an advisory basis, the compensation of our named executive officers, as described in this proxy statement. Abstentions have no effect on the results of this vote. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Nominating, Governance and Compensation Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, Computershare, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

Where Can I find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting and we will publish preliminary results, or final results if then available, by filing a Current Report on Form 8-K within four business days after

the Annual Meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended Current Report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The Annual Meeting will be held at 2:00 p.m. Pacific Time, on Thursday, June 26, 2014 at our corporate headquarters, which are located at 5818 El Camino Real, Carlsbad, CA 92008. When you arrive at our headquarters, signs will direct you to the appropriate meeting room. You need not attend the Annual Meeting in order to vote.

Householding of Annual Disclosure Documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single set of our annual report and proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be “household,” the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single set of proxy materials this year, but you would prefer to receive your own copy, please contact our transfer agent, Computershare, by calling their toll free number, 1-866-265-1875.

If you do not wish to participate in “householding” and would like to receive your own set of the proxy materials in future years, follow the instructions described below. Conversely, if you share an address with another Alphatec Holdings, Inc. shareholder and together both of you would like to receive only a single set of proxy materials, follow these instructions:

- If your shares of Alphatec Holdings, Inc. common stock are registered in your own name, please contact our transfer agent, Computershare, and inform them of your request by calling them at 1-866-265-1875 or writing them at 480 Washington Ave., Jersey City, NJ 07310.
- If a broker or other nominee holds your shares of Alphatec Holdings, Inc. common stock, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Accordingly, notwithstanding the number of shares reported, Deerfield disclaims beneficial ownership of the shares underlying the Warrants to the extent beneficial ownership of such shares would cause Deerfield, in the aggregate to exceed the Ownership Cap.

CORPORATE GOVERNANCE MATTERS

Board of Directors Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board. For 2013, the Board determined that having an employee director serve as Chairman is in the best interest of the Company's stockholders at this time because of the efficiencies achieved in having the role of Chief Executive Officer and Chairman combined, and because the detailed knowledge of our day-to-day operations and business that the Chief Executive Officer possesses greatly enhances the decision-making processes of the Board as a whole. We have a strong governance structure in place, including independent directors, to ensure the powers and duties of the dual role are handled responsibly. Furthermore, consistent with NASDAQ listing requirements, the independent directors regularly have the opportunity to meet without Mr. Cross in attendance. We do not have a lead independent director.

Mr. Cross has served as Chairman of the Board of Directors since July 2011. The Chairman of the Board of Directors provides leadership to the Board and works with the Board to define its activities and the calendar for fulfillment of its responsibilities. The Chairman of the Board of Directors approves the meeting agendas after input from management, facilitates communication among members of the Board and presides at meetings of our Board and stockholders.

The Chairman of the Board of Directors, the Chairman of the Executive Committee, the Chairman of the Audit Committee, the Chairman of the Nominating, Governance and Compensation Committee and the other members of the Board work in concert to provide oversight of our management and affairs. The leadership of Mr. Cross fosters a culture of open discussion and deliberation, with a thoughtful evaluation of risk, to support our decision-making. Our Board encourages communication among its members and between management and the Board to facilitate productive working relationships. Working with the other members of the Board, Mr. Cross also strives to ensure that there is an appropriate balance and focus among key Board responsibilities such as strategic development, review of operations and risk oversight.

The Board of Directors' Role in Risk Oversight

The Board plays an important role in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through: (1) the review and discussion of regular periodic reports to the Board and its committees on topics relating to the risks that we face; (2) the required approval by the Board (or a committee of the Board) of significant transactions and other decisions; (3) the direct oversight of specific areas of our business by the Audit Committee and the Nominating, Governance and Compensation Committee; and (4) regular periodic reports from our auditors and outside advisors regarding various areas of potential risk, including, among others, those relating to our internal control over financial reporting. The Board also relies on management to bring significant matters impacting us to the Board's attention.

Pursuant to the Audit Committee's charter, the Audit Committee is responsible for discussing the guidelines and policies that govern the process by which our exposure to risk is assessed and managed by management. As part of this process, the Audit Committee discusses our major financial risk exposures and steps that management has taken to monitor and control such exposure. In addition, we, under the supervision of the Audit Committee, have established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter in order to encourage employees to report questionable activities directly to our senior management and the Audit Committee.

Because of the role of the Board in risk oversight, the Board believes that any leadership structure that it adopts must allow it to effectively oversee the management of the risks relating to our operations. The Board

recognizes that there are different leadership structures that could allow it to effectively oversee the management of the risks relating to our operations. The Board believes its current leadership structure enables it to effectively provide oversight with respect to such risks.

Committees of the Board and Meetings

Meeting Attendance. During the 2013 fiscal year, there were 11 meetings of our entire Board, and the various committees of the Board met a total of 8 times. No director attended fewer than 75% of the total number of meetings of the Board or committees of the Board on which he or she served during the 2013 fiscal year. The Board has adopted a policy under which each member of the Board is strongly encouraged, but not required, to attend each annual meeting of our stockholders. Six directors attended our annual meeting of stockholders held in 2013.

Audit Committee. Our Audit Committee met four times during the 2013 fiscal year. This committee currently has three members: James R. Glynn (Chairman), R. Ian Molson and Siri Marshall. Our Audit Committee's role and responsibilities are set forth in the Audit Committee's written charter and include the authority to retain and terminate the services of our independent registered public accounting firm, review annual and quarterly financial statements, consider matters relating to accounting policy and internal controls and review the scope of annual audits.

All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market, as such standards apply specifically to members of audit committees. The Board has determined that Messrs. Molson and Glynn are each an "audit committee financial expert," as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K.

A copy of the Audit Committee's written charter is publicly available on our website at www.alphatecspine.com under "Investor Relations—Corporate Governance." Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

Nominating, Governance and Compensation Committee. Our Nominating, Governance and Compensation Committee met five times during the 2013 fiscal year. This committee currently has three members: R. Ian Molson (Chairman), Stephen E. O'Neil and Rohit Desai. Our Nominating, Governance and Compensation Committee's role and responsibilities are set forth in the committee's written charter and includes: (i) reviewing, approving, and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board are carried out and that such policies, practices and procedures contribute to our success, (ii) evaluating and making recommendations to the full Board as to the size and composition of the Board and its committees, and (iii) evaluating and making recommendations as to potential director candidates.

With respect to compensation matters, the Nominating, Governance and Compensation Committee is responsible for the determination of the compensation of our Chief Executive Officer, and conducts its decision-making process with respect to that determination without the presence of the Chief Executive Officer. This committee also administers our Amended and Restated 2005 Employee, Director and Consultant Stock Plan and our 2007 Employee Stock Purchase Plan.

With respect to nominations for our Board, the committee may consider Board candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the

stockholders. Although the Company has no policy regarding diversity, the committee seeks a broad range of perspectives and considers both the personal characteristics (such as gender, ethnicity, and age) and experience (such as industry, professional, public service) of directors and prospective nominees to the Board. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources.

If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2015 Annual Meeting of Stockholders, it must comply with the procedures set forth in our By-laws and give timely notice of the nomination in writing to our Corporate Secretary not less than 45 nor more than 75 days prior to the date that is one year from the date on which we first mail our proxy statement relating to our 2014 Annual Meeting of Stockholders. See “Stockholder Proposals and Nominations for Directors.” If a stockholder wishes simply to propose a candidate for consideration as a nominee by the Nominating, Governance and Compensation Committee, it must make such proposal for such candidate in writing, addressed to the Nominating, Governance and Compensation Committee in care of our Corporate Secretary at our principal offices. Submissions must be made by mail, courier or personal delivery and must contain the information set forth in our Nominating and Governance Committee Charter, which is available on our website at www.alphatecspine.com under “Investor Relations—Corporate Governance.”

All members of the Nominating, Governance and Compensation Committee qualify as independent directors under the standards promulgated by The NASDAQ Stock Market.

A copy of the Nominating, Governance and Compensation Committee’s written charter is publicly available on our website at www.alphatecspine.com under “Investor Relations—Corporate Governance.” Please also see the report of the Nominating, Governance and Compensation Committee set forth elsewhere in this proxy statement.

Further discussion of the process and procedures for considering and determining executive compensation, including the role that our executive officers play in determining compensation for other senior management, is included below in the section entitled “Compensation Discussion and Analysis.”

Executive Committee. Our Executive Committee consists of Mortimer Berkowitz III (Chairman), John Foster, R. Ian Molson and Leslie Cross. Our Executive Committee evaluates and, if appropriate, makes recommendations to the Board with respect to any strategic transactions or decisions affecting the Company, which primarily consist of: (i) any merger, consolidation, dissolution or liquidation of the Company; (ii) any annual budget or forecast for the Company; (iii) any issuance, authorization, cancellation, alteration, modification, redemption or any change in, of, or to, any equity security of the Company; and (iv) any hiring or termination issues related to any senior vice president level employee. The Executive Committee is not authorized to act on behalf of the Board.

The Executive Committee has not adopted a formal written charter. During the fiscal year ended December 31, 2013, the Executive Committee met three times. Mr. Molson is the only member of the Executive Committee that qualifies as independent directors under the standards promulgated by The NASDAQ Stock Market.

Shareholder Communications to the Board

Stockholders may communicate with the Board of Directors by sending a letter to the following address: Attn: Security Holder Communication, Corporate Secretary, Alphatec Holdings, Inc., 5818 El Camino Real, Carlsbad, CA 92008. The Corporate Secretary will receive the correspondence and forward it to the Chairman of the Board, or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business or is similarly inappropriate. The Corporate Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Communications should not exceed 500 words in length and must be accompanied by the following information:

- A statement of the type and amount of the securities of the Company that the person holds;
- Any special interest, meaning an interest not in the capacity as a security holder of the Company, that the person has in the subject matter of the communication; and
- The address, telephone number and e-mail address, if any, of the person submitting the communication.

A copy of the Policy on Security Holder Communications with Directors is publicly available on our website at www.alphatecspine.com under “Investor Relations—Corporate Governance.”

Compensation Practices and Policies Relating to Risk Management

We believe that we do not utilize compensation policies or practices that create risks that are reasonably likely to have a material adverse effect on us. The “Compensation Discussion and Analysis” section of our proxy statement describes generally our compensation policies and practices that are applicable for executive and management employees. We use common variable compensation designs across all of our business units and divisions, with a significant focus on corporate and business financial performance.

COMPENSATION DISCUSSION AND ANALYSIS

We have prepared this Compensation Discussion and Analysis, to provide you with information that we believe is necessary to understand our executive compensation policies and decisions as they relate to the compensation of the individuals identified below, who are our “named executive officers,” as such term is defined in Item 402 of Regulation S-K:

- Leslie Cross, Chairman and Chief Executive Officer
- Michael O’Neill, Chief Financial Officer, Vice President and Treasurer
- Thomas McLeer, Senior Vice President, US Commercial Operations
- Mitsuo Asai, President, Alphatec Pacific, Inc.
- William Patrick Ryan, Former Chief Operating Officer

The Nominating, Governance and Compensation Committee believes that our fiscal 2013 executive compensation program reflects our core principles and objectives and rewards our executives for our successful performance. In accordance with the Dodd Frank Wall Street Reform and Consumer Protection Act, as passed in 2010, we will continue to consider shareholder sentiments about our core principles and objectives when determining executive compensation.

Compensation Philosophy and Objectives

We are engaged in a very competitive industry, and our success depends upon our ability to attract, motivate and retain qualified executives. Accordingly, the Nominating, Governance and Compensation Committee aims to create total compensation packages that are competitive with programs offered by other companies against whom we compete for personnel. At the same time, our Nominating, Governance and Compensation Committee believes that the compensation paid to our executive officers should be in some part dependent upon our performance and the value we create for shareholders. To that end, the Nominating, Governance and Compensation Committee has embraced a philosophy of pay-for-performance, whereby an individual’s experience, potential and contribution to our business determines his or her actual compensation. The Nominating, Governance and Compensation Committee seeks to: (i) provide meaningful incentives for the attainment of specific financial objectives; (ii) reward those executive officers who make substantial contributions to the attainment of those objectives, and (iii) link executive officer compensation with company and individual performance.

The Nominating, Governance and Compensation Committee’s objectives are to:

- attract, retain, and motivate talented executives responsible for the success of our organization;
- provide compensation to executives that is externally competitive, internally equitable and performance-based; and
- ensure that total compensation levels are reflective of company and individual performance and provide executives with the opportunity to receive above-market total compensation for exceptional business performance.

Compensation Process and Benchmarking

Compensation Process

Pursuant to its charter, the Nominating, Governance and Compensation Committee has responsibility for, among other things, discharging the Board’s responsibilities relating to compensation and benefits of our named executive officers, including responsibility for evaluating management performance, officer compensation and

benefits plans and programs. In carrying out these responsibilities, the Nominating, Governance and Compensation Committee reviews all components of executive officer compensation for consistency with our compensation philosophy.

As requested by the Nominating, Governance and Compensation Committee, our Chairman and CEO presents individual performance feedback, proposed annual salary increases and long-term incentive grant recommendations for the other executive officers to the members of the Nominating, Governance and Compensation Committee. The Nominating, Governance and Compensation Committee reviews the information and either approves the recommendation or makes changes at its discretion. The Nominating, Governance and Compensation Committee makes its own assessment of our Chairman and CEO based on our financial performance, his individual performance, his compensation compared to CEOs in our peer group, the components of his compensation and his total compensation level. The Nominating, Governance and Compensation Committee then approves the compensation of our Chairman and CEO.

For 2013 our Nominating, Governance and Compensation Committee approved the following companies as our peer group: Abaxis, Abiomed, Accuray, AngioDynamics, ArthroCare, Atrion, Conceptus, Endologix, Exactech, Globus Medical, Mako Surgical, Natus Medical, Nuvasive, Quidel, RTI Biologics, Spectranetics, Symmetry Medical and Tornier. Each year the Nominating, Governance and Compensation Committee reviews the peer group to ensure each company in the peer group continues to be a relevant company to use for comparison. For 2014, the following additions to our peer group were approved by the Nominating, Governance and Compensation Committee: Baxano Surgical, Cardiovascular Systems, Cryolife, Cynosure, LDR Holding, Orthofix International, Solta Medical, Wright Medical Group, and Zeltiq Aesthetics. The following companies were removed from the peer group because of merger or acquisition transactions: Conceptus, Mako Surgical, and Solta Medical. Our peer group consists of publicly traded medical device companies that are comparable to us in their size, as measured by market capitalization, net income and revenues.

In 2013, in lieu of using a compensation consultant, our Chairman and CEO, working with our Vice President, Global Human Resources, reviewed published compensation survey data for our peer group companies using the Equilar Insight data base. The Nominating, Governance and Compensation Committee did not rely on formulas or specific analysis in determining levels and mixes of compensation. Rather, it relied on its members' subjective but reasonable, good faith judgment based on their years of experience both with us and with other companies they have been involved with in their professional careers.

In 2013, our Chairman and CEO provided recommendations to the Nominating, Governance and Compensation Committee regarding financial goals and criteria for the establishment of an annual bonus plan for our executive officers. These criteria and targets were based upon our operating plan for the 2013 fiscal year, as approved by the Board. The corporate performance metrics under the bonus plan as approved by the Nominating, Governance and Compensation Committee included attainment of certain financial targets. The bonus plan for fiscal year 2013 is further described below under the heading "2013 Bonus Plan."

2013 Compensation Philosophy

In determining compensation for the executive officers (other than himself) for 2013, the Chairman and CEO made recommendations to the Nominating, Governance and Compensation Committee based on total cash compensation (base salary plus annual cash incentives) and long-term equity incentives. Under this system, the Chairman and CEO assigned a total target compensation range to a particular executive officer after considering various factors under the major categories of job demands, knowledge, level of responsibility and the total target compensation paid by our peer group companies as set forth in the Equilar Insight data base. With respect to our executive officers, all of the Chairman and CEO's total target compensation recommendations were reviewed and approved by the Nominating, Governance and Compensation Committee. The Chairman and CEO and the Nominating, Governance and Compensation Committee generally considered total targeted compensation for key

employees to be within the market competitive range if total targeted compensation was reasonably comparable to the same position within our peer group, in the estimation of the Nominating, Governance and Compensation Committee.

Elements of Compensation and How Each Element is Chosen

As indicated above, compensation elements for our executive officers are designed to attract and retain individuals with exceptional ability for these key roles in a very competitive market for such talent. Certain elements of compensation serve other important interests. For example, annual incentive pay is designed to motivate the executive officers to attain our vital short-term goals. Long-term incentive pay in the form of equity awards vesting over a number of years aligns the executive officer's interest with that of our stockholders in seeking long-term increases in the value of our shares. The main compensation elements for our executive officers (salary, annual incentive, long-term incentive, and other benefits and perquisites) are described in more detail below.

For fiscal year 2013, each executive officer's compensation generally consisted of three elements: (i) base salary, (ii) cash bonus based upon our attainment of pre-established objectives; and (iii) long-term stock-based incentive awards designed to align the interests of our executive officers with our stockholders.

Annual Incentive Compensation

Executive officers are eligible for incentive compensation annually under our non-shareholder-approved bonus plan, which is described below. Under this plan, the Nominating, Governance and Compensation Committee establishes annual incentive compensation that is based upon target awards expressed as a percentage of each executive's base salary. Payments under the bonus plan are determined based upon our and the company's performance against pre-established company financial targets.

2013 Base Salaries and Bonus Plan

For 2013, the Chairman and CEO reviewed the base salaries of the executive officers in the first half of the calendar year to determine whether any changes were appropriate. During such review, the Chairman and CEO took multiple factors into consideration. Base salaries of the executive officers were targeted at a competitive market median based on each respective position with individual variations explained by differences in experience, skills and sustained performance. The Nominating, Governance and Compensation Committee also performs a similar analysis with respect to Mr. Cross based upon information received from our Vice President, Global Human Resources. Of the named executive officers, only Leslie Cross received a salary increase during 2013. Mr. Cross's salary was increased from \$500,000 to \$525,000. The table below sets forth the 2013 base salary and 2013 targeted bonus percentage for each of our named executive officers that were employed by us at December 31, 2013.

<u>Name</u>	2013 Target	
	2013 Base Salary	Bonus Percentage
Leslie Cross	\$525,000	80%
William Patrick Ryan	\$350,000	60%
Michael O'Neill	\$325,000	60%
Thomas McLeer	\$325,000	60%
Mitsuo Asai	\$267,197(1)	35%

(1) For the purposes of this table, Mr. Asai's 2013 base salary was converted from Japanese Yen to U.S. Dollars using the exchange rate as of December 31, 2013.

In April 2013, the Nominating, Governance and Compensation Committee approved the bonus plans for each of our executive officers, which we refer to collectively herein as the 2013 Bonus Plan. Under the 2013 Bonus Plan, our named executive officers were eligible for cash bonuses for the 2013 fiscal year as further described below.

2013 Bonus Plan for Messrs. Cross, Ryan, O'Neill, and McLeer

With respect to each of Messrs. Cross, Ryan, O'Neill, and McLeer the target cash bonuses for fiscal year 2013 were determined according to a formula expressed as percentages of each executive's 2013 base salary, subject to the achievement of corporate performance criteria. For Messrs. Ryan, O'Neill and McLeer, the corporate performance criteria was predicated on the achievement of revenue, operating income, and free cash flow metrics. The amount actually paid could be above or below the target amount but the maximum that may be earned was equal to 133.33% of the target bonus amount. For Mr. Cross, the corporate performance criteria was predicated upon the achievement of revenue and operating income metrics. The amount actually paid could be above or below the target amount but the maximum that may be earned is equal to 140% of the target bonus amount. Portions of the annual bonus are paid quarterly if quarterly results meet or exceed quarterly threshold performance targets. The Nominating, Governance and Compensation Committee approved all financial performance criteria for the awarding of such cash bonuses and the Chairman and CEO presented the financial criteria to each of Messrs. Ryan and O'Neill for each of their confirmation of the achievability of such criteria and the Nominating, Governance and Compensation Committee presented Mr. Cross' plan to him for his confirmation of the availability of such criteria. In the event the executives exceeded such target levels, they were entitled to receive cash bonuses based on higher percentages of their respective base salaries.

With respect to all of the bonuses described above, we had to have achieved a threshold of financial performance that was established by the Nominating, Governance and Compensation Committee before any of the bonuses based on the financial criteria set forth above would become payable. However the Nominating, Governance and Compensation Committee had the authority to issue bonuses if such criteria had not been achieved if it believed that circumstances warranted the payment of such bonus.

In 2013, based on adjusted results, we achieved 99.1% of our global revenue target, 106.3% of our Operating Income target, and failed to achieve target for the free cash flow metric resulting in the following aggregate bonuses for each executive: Mr. Cross received \$415,000, which represented 99% of his target bonus amount, and Messrs. O'Neill and McLeer each received \$161,501, which represented 83% of each of their target bonus amounts. Mr. Ryan resigned effective February 10, 2014, which was prior to the payment of the annual bonus, and he received \$39,375, which represented 19% of his target bonus amount. The quarterly bonuses were paid in 2013 and the annual bonuses were paid in the second quarter of 2014.

2013 Bonus Plan for Mr. Asai

Mr. Asai's, target cash bonus for fiscal year 2013 was determined according to a formula expressed as up to 35% of his base salary of 28.12 million Japanese yen, and was subject to adjustments based on the percentage to which the targeted applicable performance criteria was achieved. Mr. Asai was eligible to receive a cash bonus for 2013 based on the achievement of the revenue and pre-tax profitability goals for Alphatec Pacific, Inc., a wholly owned subsidiary of Alphatec Spine, Inc. The Nominating, Governance and Compensation Committee approved all financial performance criteria for the awarding of this cash bonus and our Chairman and CEO presented such financial criteria to Mr. Asai for his confirmation of the achievability of such criteria.

With respect to Mr. Asai's bonus, Alphatec Pacific had to have achieved a threshold of financial performance that was established by the Nominating, Governance and Compensation Committee before the bonus based on the financial criteria set forth above would become payable. However the Nominating, Governance and Compensation Committee had the authority to issue bonuses if such criteria had not been achieved if it believes that circumstances warranted the payment of such bonus.

In 2013, Alphatec Pacific achieved a percentage of the financial performance criteria that entitled Mr. Asai to 120% of his target bonus or \$116,521. This bonus was paid in the first quarter of 2014.

Equity Compensation Awards

Equity compensation has traditionally been an important element of our executive compensation program in order to align the interests of our executives with those of our stockholders. Because the value of the equity awards will increase only when we perform and increase stockholder value, the grant of such equity awards provides long-term incentives to the recipients thereof, including our executive officers. These awards not only serve to align the executives' interests with those of the stockholders over an extended period of time, but because they also generally are subject to vesting in connection with continued service to us over a specified period of time, these awards serve as an additional retention mechanism. The Nominating, Governance and Compensation Committee believes that both of these elements are important factors in executive compensation. In general, all grants of options to employees will vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches each three months thereafter. In general, all grants of restricted stock to employees have annual vesting over four years. In 2013 certain grants of restricted stock consisted of performance-based grants. Such performance-based grants vest over four years with 25% of such shares vesting on the anniversary date of the grant if a stock performance metric is achieved.

New Hire Grants

Generally, we grant equity awards to our new employees, including our executive officers, in connection with the start of their employment. At the time of the hiring of any executive officer, equity compensation generally is negotiated between such officer and us. Generally, such negotiations are conducted by our Chairman and CEO on our behalf. With respect to the Chairman and CEO, such negotiations are conducted by the Chairman of the Nominating, Governance and Compensation Committee of the Board on our behalf. The Nominating, Governance and Compensation Committee approves such negotiated equity compensation for newly hired executive officers. The size of such awards is determined based upon available information concerning the competitive packages offered to executives in similar jobs at companies with which we compete for personnel, but are not established based upon any formal survey or other comparative data. In addition, the Chairman and CEO often adjusts such initial equity compensation grants as deemed appropriate to attract or retain specific candidates based on their experience, knowledge, skills and education and our needs.

Annual Equity Grants

We generally award our key employees, including our executive officers an annual stock option grant with the goal of providing continued incentives to retain strong executives and improve corporate performance. However, in 2012, because of an insufficient amount of shares available under our Amended and Restated 2005 Employee, Director and Consultant Stock Plan, as amended, for a meaningful grant, there were no grants made to our executive officers for fiscal 2012 performance. Once a sufficient amount of shares became available, executive officers received their 2012 annual grant in January 2013 and their 2013 annual grant in August 2013. In January 2013 Messrs. Cross, O'Neill, Ryan, and Asai were granted 400,000, 125,000, 125,000, and 20,000 stock options, respectively. Each option vests over four years with 25% of such options vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches each three months thereafter. In August 2013 Messrs. Cross, O'Neill, Ryan, McLeer and Asai were granted 187,500, 56,250, 75,000, 56,250, and 33,750 stock options, respectively. All of such option grants were subject to the same vesting schedule as the January 2013 grant. In addition, in August 2013, Messrs. Cross, O'Neill, Ryan, McLeer and Asai received a grant of performance-based restricted stock of 62,500, 18,750, 25,000, 18,750, and 11,250 shares respectively. Such performance-based grants vest over four with 25% of such shares vesting on the anniversary date of the grant if a stock performance metric is achieved.

Cash and Equity Awards Outside of the Plan

In August 2012, as a retention bonus for Mr. Asai, the Nominating, Governance and Compensation Committee approved a grant of 100,000 restricted shares and cash payment of \$100,000, which is payable in two installments. The second installment of \$65,000 was paid in September 2013 upon confirmation that Mr. Asai had achieved specified sales and time-based vesting targets.

Employee Stock Purchase Plan

Our 2007 Employee Stock Purchase Plan, or the ESPP, is tax-qualified and is generally available to all employees located in the United States, Japan and Brazil, including our executive officers. The ESPP is intended to qualify under Section 423 of the Internal Revenue Code of 1986, as amended, or, the Code, and provides for two six-month offering periods per calendar year. Each offering period allows participants to purchase our stock through payroll deductions at a discount from the fair market value. The discount is the lower of (i) 85% of the closing price of our common stock on the first date of an offering period, and (ii) 85% of the closing price of our common stock on the final day of an offering period.

Termination and Change in Control Based Compensation

Other than with respect to Mr. Cross, our Nominating, Governance and Compensation Committee agreed to severance packages for our named executive officers as part of the negotiations with each of these executive officers to secure his or her services. Our Nominating, Governance and Compensation Committee approved the severance packages based on their experience serving on boards of directors and Nominating, Governance and Compensation Committees of companies of a similar size and stage of development to us and their familiarity with severance packages offered to executive officers of such companies. Based on this knowledge, experience and information, we believe that the respective severance periods and provision of medical and similar benefit programs during such severance periods are both reasonable and generally in line with severance packages negotiated with executive officers of similarly situated companies.

In addition, pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our named executive officers, in the event of a change in control, as defined in our Amended and Restated 2005 Employee, Director and Consultant Stock Plan, as amended, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

Other Compensation

We maintain broad-based benefits and perquisites that are provided to all employees, including health insurance, life and disability insurance, dental insurance, an employee stock purchase plan, and a 401(k) plan. We match employee contributions to our 401(k) plan, including those of our executive officers. In particular circumstances, we also utilize cash signing bonuses when certain executives and senior level non-executives join us. Whether a signing bonus is paid and the amount thereof is determined on a case-by-case basis under the specific hiring circumstances. For example, we have paid and will consider paying cash bonuses to compensate for amounts forfeited by an executive upon terminating prior employment. In addition, we may assist with certain expenses associated with an executive joining and maintaining their employment. For example, in 2013 we reimbursed our President of Alphatec Pacific for rental expenses related to an apartment close in proximity to our corporate office in Japan and expenses related to the purchase of workman's accident compensation insurance. We believe these forms of compensation create additional incentives for an executive to join us in a position where there is high market demand. These forms of compensation are typically structured to not exceed certain monetary amounts and/or time periods.

Employment Agreements

Leslie Cross

In February 2012, we and Alphatec Spine entered into an employment agreement with Leslie Cross, pursuant to which Mr. Cross agreed to serve as our Chairman and Chief Executive Officer. Pursuant to the agreement, Mr. Cross receives an initial annual base salary of \$500,000, and he is eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year established by the Nominating, Governance and Compensation Committee, with the payment of such bonus based on Mr. Cross’s achievement of performance objectives established by our Nominating, Governance and Compensation Committee each fiscal year. For fiscal year 2013, Mr. Cross’s target bonus percentage was 80% of his base salary, and it remains at such percentage. In connection with the commencement of his employment, we granted Mr. Cross 200,000 shares of restricted common stock. The restricted common stock vests in one of two ways: (i) on the anniversary date of the issuance if the cumulative total stockholder return for a \$100 investment in Alphatec Holdings stock is no less than the cumulative return over such period of \$100 invested in the Orthoworld Stock Index over the same time period; and (ii) upon a change of control of us.

In February 2014, the Nominating, Governance and Compensation Committee approved a revision to the vesting schedule for Mr. Cross’s new hire grants. The restricted common stock will vest in one of two ways: (i) on the earliest of August 8, 2014, August 8, 2015, or August 8, 2016 if on such date the cumulative total shareholder return for a \$100 investment in Alphatec Holdings stock is no less than the average cumulative return over such period of \$100 invested in the peer group companies used for executive compensation purposes over the same time period; and (ii) upon a change of control of us.

Michael O’Neill

In October 2010, we and Alphatec Spine entered into an employment agreement with Michael O’Neill, pursuant to which Mr. O’Neill agreed to serve as our Chief Financial Officer, Vice President and Treasurer. Pursuant to the agreement, Mr. O’Neill received an initial annual base salary of \$325,000 which has not been increased to date, and he is eligible to receive incentive bonuses based on our and Mr. O’Neill’s achievement of annual performance objectives established by our Nominating, Governance and Compensation Committee at the beginning of each fiscal year. For fiscal year 2013, Mr. O’Neill’s target bonus percentage was 60% of his base salary, and it remains at such percentage. In connection with the commencement of his employment, we granted Mr. O’Neill options to purchase up to 200,000 shares of our common stock, and paid him a \$25,000 signing bonus. The options vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches every three months thereafter. In connection with the commencement of his employment, we also granted Mr. O’Neill 100,000 shares of restricted common stock. The restricted common stock vests annually in four equal tranches over four years.

Mitsui Asai

In January 2008, we and Alphatec Spine entered into an employment agreement with Mitsuo Asai, pursuant to which Mr. Asai agreed to serve as the President of Alphatec Spine’s subsidiary, Alphatec Pacific. This

agreement was amended and restated in January 2011 and further amended and restated in January 2014. The agreement has a term of three years from January 2014. Pursuant to the most recent agreement, Mr. Asai receives an annual base salary of 30,130,921 Japanese Yen, and he is eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year established by the Nominating, Governance and Compensation Committee, with the payment of such bonus based on Mr. Asai's achievement of annual performance objectives established at the beginning of each fiscal year. For fiscal year 2013, Mr. Asai's target bonus percentage was 35% of his base salary. For fiscal year 2014, Mr. Asai's target bonus percentage was increased to 50% of his base salary. Pursuant to the agreement we pay up to 4,000,000 Japanese Yen per year to provide Mr. Asai with a furnished corporate apartment in Tokyo, Japan. Mr. Asai also has a monthly travel allowance of 70,000 Japanese Yen, provided that such amounts are used for travel between Tokyo, Japan and Mr. Asai's home in Osaka, Japan. We also reimburse Mr. Asai for an annual premium associated with Mr. Asai's purchase of a workmen's accident compensation insurance policy. For purposes of the Summary Compensation Table, the average monthly exchange rate for conversion from Japanese Yen to U.S. Dollars was used to calculate the salary and all other compensation. The bonus amount was calculated in U.S. Dollars. In January 2014, Mr. Asai's base salary was increased to 30,130,920 Japanese Yen. In August 2012, the Nominating, Governance and Compensation Committee authorized a special cash retention bonus of \$100,000 (approximately 9,440,000 Japanese Yen) in which 35% was payable immediately and 65% is payable in August 2013. In addition, a special grant of 100,000 restricted shares was approved and granted on August 21, 2012. Such restricted stock vests on the anniversary of the date of grant.

William Patrick Ryan

In April 2011, we and Alphatec Spine entered into an employment agreement with William Patrick Ryan pursuant to which Mr. Ryan agreed to serve as our Chief Operating Officer. Pursuant to the agreement, Mr. Ryan received an initial annual base salary of \$350,000 which has not been increased to date, and he was eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year, with the payment of such bonus based on our and Mr. Ryan's achievement of annual performance objectives established by our Nominating, Governance and Compensation Committee at the beginning of each fiscal year. For fiscal year 2013, Mr. Ryan's target bonus percentage was 60% of his base salary. In connection with the commencement of his employment, we granted Mr. Ryan options to purchase up to 250,000 shares of our common stock, and agreed to reimburse him for up to \$40,000 in expenses associated with Mr. Ryan's repatriation to the United States from China. The options were to vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches every three months thereafter. In connection with the commencement of his employment, we also granted Mr. Ryan 100,000 shares of restricted common stock. The restricted common stock was to vest annually in four equal tranches over four years. Mr. Ryan resigned effective February 10, 2014.

Thomas J. McLeer

In October 2012, we and Alphatec Spine entered into an employment agreement with Thomas J. McLeer pursuant to which Mr. McLeer agreed to serve as our Senior Vice President of U.S. Commercial Operations. Pursuant to the agreement, Mr. McLeer received an initial base salary of \$325,000 and he is eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year, with the payment of such bonus based on our and Mr. McLeer's achievement of annual performance objectives established by our Nominating, Governance and Compensation Committee at the beginning of each fiscal year. For fiscal year 2012, Mr. McLeer was guaranteed a bonus of at least \$40,000. For fiscal year 2013, Mr. McLeer's target bonus percentage was 60% of his base salary, and it remains at such percentage. In connection with the commencement of his employment, we granted Mr. McLeer options to purchase up to 200,000 shares of our common stock. The options vest over four years, with 25% of such options vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches every three months thereafter. In connection with the commencement of his employment, we also granted Mr. McLeer 100,000 shares of restricted common stock. The restricted common stock vests annual in four equal tranches over four years. Mr. McLeer's position was eliminated, effective May 1, 2014.

Potential Payments Upon Termination or Change-in-Control

Termination of Employment and Change in Control Arrangements

The employment agreements with our named executive officers provide certain benefits upon the termination of employment without cause. Such benefits are described in detail below.

Mr. Cross is not entitled to any severance payment in the event that his employment is terminated for any reason.

In the event that Mr. O'Neill is terminated (i) without cause or (ii) by Mr. O'Neill following certain events, he is entitled to receive as severance compensation his base salary for a period of 12 months, a payment for any accrued but unused vacation days, and payment of, or reimbursement the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a "gross up" related to any taxes incurred in connection with such COBRA payments. In the event that Mr. O'Neill's employment is terminated due to either his death or disability, we are required to pay Mr. O'Neill (or his estate, as the case may be) an amount equal to Mr. O'Neill's target bonus for the fiscal year in which such termination occurred (with such amount pro-rated based on the date of termination). In addition, in the event of termination due to death or disability, any unvested stock options and restricted stock awards held by Mr. O'Neill shall become fully vested and not subject to forfeiture or repurchase.

In the event that Mr. Ryan is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of nine months and a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a "gross up" related to any taxes incurred in connection with such COBRA payments. The amount of the severance period is increased to 12 months in the event that Mr. Ryan is terminated within six months of a change of control, as such term is defined in his employment agreement. Mr. Ryan resigned effective February 10, 2014.

In the event that Mr. McLeer is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of nine months and a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a "gross up" related to any taxes incurred in connection with such COBRA payments.

In the event that Mr. Asai is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of 12 months and a payment for any accrued but unused vacation days. In the event of Mr. Asai's death, 50% of his then current base salary would be payable to his estate.

Pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our named executive officers, in the event of a change in control, as defined in the 2005 Stock Plan and described below, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

- Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2013 with management and Ernst & Young LLP, our independent registered public accounting firm;
- Discussed with Ernst & Young LLP the matters required to be discussed in accordance with Auditing Standard No. 16—Communications with Audit Committees; and
- Received written disclosures and the letter from Ernst & Young LLP regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP communications with the Audit Committee and the Audit Committee further discussed with Ernst & Young LLP their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and Ernst & Young LLP, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the Securities and Exchange Commission.

MEMBERS OF THE AUDIT COMMITTEE:

James R. Glynn (Chairman)
Siri S. Marshall
R. Ian Molson

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Our records reflect that all reports which were required to be filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, were filed on a timely basis, except that 18 reports, in the aggregate, of a change in beneficial ownership were filed late by each of the following directors and executive officers: Messrs. or Ms. (as the case may be) Cross and Garner (each with three reports regarding three transactions); O'Neill, Asai and Ryan (each with two reports regarding two transactions), O'Neil, Molson; Desai, Glynn, Marshall, and Faulstick (each with one report regarding one transaction).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with our Officers, Directors and Principal Stockholders

For the year ended December 31, 2013, we incurred costs of \$0.2 million related to reimbursement of travel and administrative expenses to Foster Management Company and HealthpointCapital, LLC, including for the reimbursement of Foster Management Company's airplane. Foster Management Company is an entity owned by John H. Foster, a member of our Board. Based upon a competitive analysis of comparable leased aircraft, our Board determined that the hourly reimbursement rate is at or below market rates for the charter of similar aircraft.

We have entered into indemnification agreements with all of our directors. The indemnification agreements require us to indemnify these individuals to the fullest extent permitted by Delaware law and to advance expenses incurred by them in connection with any proceeding against them with respect to which they may be entitled to indemnification by us.

Each of Scient'x and Surgiview has agreed, within certain parameters, to indemnify its respective officers and directors in connection with activities undertaken by such individuals on behalf of their respective companies. For the year ended December 31, 2013, we paid approximately \$1.7 million in connection with the indemnification obligations of Scient'x and Surgiview, all of which was related to the New York Orthotec matter.

Related Party Transaction Policies

Our officers, directors and affiliates are required to obtain Audit Committee approval in advance for any proposed related party transaction. In addition, our code of conduct requires that each director, officer and employee must do everything he or she reasonably can to avoid conflicts of interest or the appearance of conflicts of interest. The code of conduct states that a conflict of interest exists when an individual's private interest interferes in any way with our interests and sets forth a list of broad categories of the types of transactions that must be reported to our compliance officer. Under the code of conduct, we reserve the right to determine when an actual or potential conflict of interest exists and then to take any action we deem appropriate to prevent the conflict of interest from occurring.

Director Independence

Our Board has determined that the following members of the Board qualify as independent directors under the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market: R. Ian Molson, Stephen E. O'Neil, James R. Glynn, Rohit M. Desai and Siri S. Marshall.

Marshall, and James M. Corbett for election at the Annual Meeting. If they are elected, they will serve on our Board of Directors for a term of one year until the 2015 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified, or until their earlier death or resignation.

We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted FOR each nominee at the Annual Meeting is required to elect each nominee as a director.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Notice Item 2)

The Audit Committee has appointed Ernst & Young LLP, independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2014. The Board of Directors proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements for the fiscal year ended December 31, 2013. We expect that representatives of Ernst & Young LLP will be present at the Annual Meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by Ernst & Young LLP for the audit of our annual financial statements for the fiscal years ended December 31, 2013 and December 31, 2012, and fees billed for other services rendered by Ernst & Young LLP during those periods.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountant

Consistent with Securities and Exchange Commission policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of our independent registered public accounting firm for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the review of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. *Other Fees* are those associated with services not captured in the other categories. We generally do not request such services from our independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting is required to ratify the appointment of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

Advisory Vote on Approval of Executive Compensation as Disclosed in this Proxy Statement
(Notice Item 3)

As required by Section 14A of the Securities Exchange Act of 1934, as amended, we are seeking your advisory vote of the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including in the sections of this proxy statement titled “Compensation Discussion and Analysis” and “Executive Officer and Director Compensation .” You are being asked to vote on the following advisory resolution:

“RESOLVED, that the compensation paid to the named executive officers of Alphatec Holdings, Inc., as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission including the Compensation Discussion and Analysis, the compensation tables, and the related material disclosed in this proxy statement is hereby APPROVED.”

The compensation of our named executive officers is based on a design that ties a substantial percentage of an executive’s compensation to the attainment of financial and other performance measures that, the Board of Directors believes, promote the creation of long-term shareholder value and position the Company for long-term success. As described more fully in the “Compensation Discussion and Analysis” section of this proxy statement, the mix of fixed and performance based compensation and the terms of long-term incentive awards as well as the terms of executives’ employment agreements, are all designed to enable the Company to attract, motivate and retain key executives who are crucial to our long-term success while, at the same time, creating a close relationship between performance and compensation. The Nominating, Governance and Compensation Committee and the Board of Directors believe that the design of the program, and hence the compensation awarded to our named executive officers under the current program, fulfills this objective.

Stockholders are urged to read the “Compensation Discussion and Analysis” section of this proxy statement, which discusses in detail how our compensation policies and procedures implement our compensation philosophy.

The affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting is required to approve, on an advisory basis, this resolution. Although the vote is non-binding, the Board of Directors and the Nominating, Governance and Compensation Committee will review the voting results and take them into consideration in connection with their ongoing evaluation of the Company’s compensation program and when making future decisions regarding executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS SET FORTH IN THIS PROXY STATEMENT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.
