PROXY STATEMENT 2010 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send Me this Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2010 annual meeting of stockholders (the "Annual Meeting") and any adjournments of the Annual Meeting to be held at 2:00 p.m., ET, on Wednesday, July 28, 2010 at the offices of HealthpointCapital Partners, LP ("HealthpointCapital"), which are located at 505 Park Avenue, 12th Floor, New York, NY 10022. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purpose of the meeting and the information you need to know to vote at the Annual Meeting.

June 29, 2010, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, we are also sending along with this proxy statement our 2009 annual report, which includes our financial statements for the fiscal year ended December 31, 2009.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on July 28, 2010. The proxy statement and annual report to security holders are available at <https://materials.proxyvote.com/02081G>.

Who Can Vote?

Only stockholders who owned Alphatec Holdings, Inc. common stock at the close of business on June 15, 2010 are entitled to vote at the Annual Meeting. On this record date, there were 87,306,162 shares of Alphatec Holdings, Inc. common stock outstanding and entitled to vote. Alphatec Holdings, Inc. common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by delivering a signed statement of revocation to us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Eburn S. Garner, Esq., General Counsel, Senior Vice President Human Resources and Secretary. The proxy may also be revoked by submitting to us prior to the Annual Meeting a more recently dated proxy or by attending the Annual Meeting and voting in person.

How Many Votes Do I Have?

Each share of Alphatec Holdings, Inc. common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, BNY Mellon Investor Services, 480 Washington Ave., Jersey City, NJ 07310, or you have stock certificates, you may vote:

- **By mail.** Complete and mail the enclosed proxy card, a copy of which is attached hereto as Appendix A, in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with

your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

- **In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

- **By mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares.
- **In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

- “**FOR**” the election of the nominees for director; and
- “**FOR**” ratification of the selection of independent auditors for our fiscal year ending December 31, 2010.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the meeting. You may revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it as instructed above;
- notifying us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Eburn S. Garner, Esq., General Counsel, Senior Vice President Human Resources and Secretary, in writing before the Annual Meeting that you have revoked your proxy; or
- attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under “How Do I Vote?”

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee

has the authority to vote your unvoted shares on Proposals 1 and 2, even if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a “broker non-vote.”

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a “plurality” of the votes) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote for the election of directors. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Auditors

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to ratify the selection of independent auditors. Abstentions have no effect on the results of this vote. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent accountants. However, if our stockholders do not ratify the selection of Ernst & Young LLP as our independent accountants for 2010, our Audit Committee of our Board of Directors will reconsider its selection.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, BNY Mellon Investor Services, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the meeting is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The Annual Meeting will be held at 2:00 p.m. Eastern Time, on Wednesday, July 28, 2010 at the offices of HealthpointCapital, LP, which are located at 505 Park Avenue, 12th Floor, New York, NY 10022. When you arrive at HealthpointCapital, LP signs will direct you to the appropriate meeting room. You need not attend the Annual Meeting in order to vote.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be “household,” the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, BNY Mellon Investor Services, by calling their toll free number, 1-866-265-1875.

If you do not wish to participate in “householding” and would like to receive your own set of the annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another Alphatec Holdings, Inc. shareholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

- If your shares are registered in your own name, please contact our transfer agent, BNY Mellon Investor Services, and inform them of your request by calling them at 1-866-265-1875 or writing them at 480 Washington Ave., Jersey City, NJ 07310.
- If a broker or other nominee holds your Alphatec Holdings, Inc. shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Board of Directors Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having a non-employee director serve as Chairman is in the best interest of the Company's shareholders at this time. The Board believes this leadership structure enhances the Board's oversight of, and independence from, Company management, the ability of the Board to carry out its roles and responsibilities on behalf of our stockholders, and our overall corporate governance compared to a combined Chairman/Chief Executive Officer leadership structure.

Mr. Berkowitz has served as non-executive Chairman of the Board of Directors since 2007. The Chairman of the Board of Directors provides leadership to the Board and works with the Board to define its activities and the calendar for fulfillment of its responsibilities. The Chairman of the Board of Directors approves the meeting agendas after input from management, facilitates communication among members of the Board and presides at meetings of our Board and stockholders.

The Chairman of the Board of Directors, the Chairman of the Audit Committee, the President and Chief Executive Officer and the other members of the Board work in concert to provide oversight of our management and affairs. The leadership of Mr. Berkowitz fosters a culture of open discussion and deliberation, with a thoughtful evaluation of risk, to support our decision-making. Our Board encourages communication among its members and between management and the Board to facilitate productive working relationships. Working with the other members of the Board, Mr. Berkowitz also works to ensure that there is an appropriate balance and focus among key board responsibilities such as strategic development, review of operations and risk oversight.

The Board of Directors' Role in Risk Oversight

The Board plays an important role in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular periodic reports to the Board and its committees on topics relating to the risks that we face, (2) the required approval by the Board (or a committee of the Board) of significant transactions and other decisions, (3) the direct oversight of specific areas of our business by the Audit and Compensation committees, and (4) regular periodic reports from our auditors and outside advisors regarding various areas of potential risk, including, among others, those relating to the our internal control over financial reporting. The Board also relies on management to bring significant matters impacting us to the Board's attention.

Pursuant to the Audit Committee's charter, the Audit Committee is responsible for discussing the guidelines and policies that govern the process by which our exposure to risk is assessed and managed by management. As part of this process, the Audit Committee discusses our major financial risk exposures and steps that management has taken to monitor and control such exposure. In addition, we, under the supervision of the Audit Committee, have established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.

Because of the role of the Board in risk oversight, the Board believes that any leadership structure that it adopts must allow it to effectively oversee the management of the risks relating to our operations. The Board

recognizes that there are different leadership structures that could allow it to effectively oversee the management of the risks relating to our operations. The Board believes its current leadership structure enables it to effectively provide oversight with respect to such risks.

Committees of the Board and Meetings

Meeting Attendance. During the 2009 fiscal year, there were 13 meetings of our Board, and the various committees of the Board met a total of 14 times. No director attended fewer than 75% of the total number of meetings of the Board or committees of the Board on which he or she served during the 2009 fiscal year. The Board has adopted a policy under which each member of the Board is strongly encouraged to attend each annual meeting of our stockholders. Three directors attended our annual meeting of stockholders held in 2009.

Audit Committee. Our Audit Committee met six times during the 2009 fiscal year. This committee currently has three members, James R. Glynn (Chairman), R. Ian Molson and Stephen E. O'Neil. Our Audit Committee has the authority to retain and terminate the services of our independent accountants, reviews annual and quarterly financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market, as such standards apply specifically to members of audit committees. The Board has determined that Messrs. Molson and Glynn are each an "audit committee financial expert," as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. A copy of the Audit Committee's written charter is publicly available on our website at www.alphatecspine.com under "Investor Relations – Corporate Governance."

Compensation Committee. Our Compensation Committee met eight times during the 2009 fiscal year. This committee currently has two members, Stephen E. O'Neil (Chairman) and R. Ian Molson. Our Compensation Committee reviews, approves and makes recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board are carried out and that such policies, practices and procedures contribute to our success. Our Compensation Committee also administers our Amended and Restated 2005 Employee, Director and Consultant Stock Plan. The Compensation Committee is responsible for the determination of the compensation of our CEO, and shall conduct its decision-making process with respect to that issue without the presence of the CEO. All members of the Compensation Committee qualify as independent directors under the standards promulgated by The NASDAQ Stock Market. A copy of the Compensation Committee's written charter is publicly available on our website at www.alphatecspine.com under "Investor Relations – Corporate Governance." Please also see the report of the Compensation Committee set forth elsewhere in this proxy statement.

Further discussion of the process and procedures for considering and determining executive compensation, including the role that our executive officers play in determining compensation for other senior management, is included below in the section entitled "Compensation Discussion and Analysis."

Nominating and Governance Committee. Our Nominating and Governance Committee did not meet during the 2009 fiscal year. This committee currently has two members, Stephen E. O'Neil (Chairman) and R. Ian Molson. Our Nominating and Governance Committee's role is to make recommendations to the full Board as to the size and composition of the Board and its committees, and to evaluate and make recommendations as to potential candidates. All members of the Nominating and Governance Committee qualify as independent directors under the definition promulgated by The Nasdaq Stock Market. The Nominating and Governance Committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating and Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders.

Although the Company has no policy regarding diversity, the Nominating Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (industry, professional, public service) of Directors and prospective nominees to the Board. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2010 Annual Meeting of Stockholders, it must comply with the procedures set forth in our By-laws and give timely notice of the nomination in writing to our Secretary not less than 45 or more than 75 days prior to the date on which we first mail our proxy statement relating to our Annual Meeting of Stockholders to be held in 2010. If a stockholder wishes simply to propose a candidate for consideration as a nominee by the Nominating and Governance Committee, it must make such proposal for such candidate in writing, addressed to the Nominating and Governance Committee care of our Secretary at our principal offices. Submissions must be made by mail, courier or personal delivery and must contain the information set forth in our Nominating and Governance Committee Charter, which is available on our website at www.alphatecspine.com under "Investor Relations – Corporate Governance."

COMPENSATION DISCUSSION AND ANALYSIS

We have prepared this Compensation Discussion and Analysis, or CD&A, to provide you with information that we believe is necessary to understand our executive compensation policies and decisions as they relate to the compensation of the individuals identified below, who are our “Named Executive Officers,” as such term is defined in Item 402 of Regulation S-K:

- Dirk Kuyper, President and Chief Executive Officer
- Peter C. Wulff, Chief Financial Officer, Vice President and Treasurer
- Stephen Lubischer, Vice President, Sales
- Jens Peter Timm, Vice President, Research and Development
- Mitsuo Asai, President, Alphatec Pacific

Compensation Philosophy and Objectives

We are engaged in a very competitive industry, and our success depends upon our ability to attract and retain qualified executives. Accordingly, our compensation arrangements must be competitive. The Compensation Committee’s intent is generally to target salaries, annual incentives and long-term incentive grant values at a range that is competitive with programs offered by other companies against whom we compete for personnel. The Compensation Committee’s decisions are based upon a philosophy of pay for performance, with an individual’s experience, potential and contribution to our business determining his or her actual compensation. The Compensation Committee administers the compensation programs for our executive officers, considering this competitive environment, but also believes that the compensation paid to our executive officers should be dependent upon our financial performance and the value that we create for our stockholders. For this reason, the Compensation Committee’s philosophy is to structure our compensation programs to provide meaningful incentives for the attainment of specific financial objectives and to reward those executive officers who make substantial contributions to the attainment of those objectives, and to link executive officer compensation with performance.

The Compensation Committee’s objectives are to:

- attract, retain, and motivate talented executives responsible for the success of the organization;
- provide compensation to executives that is externally competitive, internally equitable and performance-based; and
- ensure that total compensation levels are reflective of company and individual performance and provide executives with the opportunity to receive above market total compensation for exceptional business performance.

We do not utilize compensation policies or practices that create risks that are reasonably likely to have a material adverse effect on us. This “Compensation Discussion and Analysis” section describes generally our compensation policies and practices that are applicable for executive and management employees. We use common variable compensation designs across all of our business units and divisions, with a significant focus on corporate and business financial performance as generally described in our Annual Report on Form 10-K/A filed with the SEC on April 2, 2010.

Compensation Process and Benchmarking

Compensation Process

Pursuant to its charter, the Compensation Committee has responsibility for, among other things, discharging the Board’s responsibilities relating to compensation and benefits of our executive officers, including responsibility for evaluating management performance, officer compensation and benefits plans and programs.

In carrying out these responsibilities, the Compensation Committee is required to review all components of executive officer compensation for consistency with our compensation philosophy.

In 2008, we hired several new executive officers, namely Mr. Asai, the President of our subsidiary, Alphatec Pacific, and Mr. Wulff, our Chief Financial Officer, Vice President and Treasurer. With respect to each of such individuals, their compensation for 2008 was determined during arms-length negotiations with our President and CEO. With respect to all of such hires, the Compensation Committee approved the compensation terms set forth in such individual's employment agreement prior to their hire. Beginning in 2008, the processes followed by the Compensation Committee in setting executive compensation became more formalized. As requested by the Compensation Committee, our President and CEO presents individual performance review summaries, proposed annual salary increases and long-term incentive grant recommendations for the other executive officers to the members of the Compensation Committee. The Compensation Committee reviews the information and either approves the recommendation or makes changes at its discretion. The Compensation Committee, in consultation with the Chairman of the Board of Directors, makes its own assessment of our President and CEO based on our financial performance, his compensation compared to CEOs in our peer group, the components of his compensation and his total compensation level. The Compensation Committee then approves the compensation of our President and CEO.

In 2008, the President and CEO retained a compensation consultant, Remedy, LLC, to obtain compensation data of companies in our industry or similar industries that had annual revenues similar to ours. In 2009, in lieu of using a compensation consultant, our President and CEO, working with our Vice President, Human Resources, reviewed published compensation survey data from companies in our industry or similar industries with annual revenues similar to ours. Except to the extent described under "Benchmarking," the Compensation Committee has not relied on formulas or specific analysis in determining levels and mixes of compensation but rather has relied on its members' subjective but reasonable, good faith judgment based on their years of experience both with us and with other companies they have been involved with in their professional careers.

In recognition of the challenging economic conditions that existed throughout 2009, none of our executive officers received an increase in base salary during 2009. In 2009, our President and CEO provided recommendations to the Compensation Committee regarding financial goals and criteria for the establishment of an annual bonus plan for our executive officers. These criteria and targets were based upon our operating plan for the 2009 fiscal year, as approved by the Board. The corporate performance metrics under the bonus plan as approved by the Compensation Committee included attainment of certain financial targets. The bonus plan for fiscal year 2009 is further described below under the heading "2009 Bonus Plan."

Benchmarking

In benchmarking compensation for the executive officers (other than the President and CEO), the President and CEO makes recommendations to the Compensation Committee based on total cash compensation (base salary plus annual cash incentives) and long-term equity incentives. Under this system, the President and CEO assigns a total target compensation range to a particular executive officer after considering various factors under the major categories of job demands, knowledge, level of responsibility and the total target compensation paid by our peer group. We anticipate that a similar exercise will be employed in the future. With respect to our executive officers, all of Mr. Kuyper's total target compensation recommendations are reviewed and approved by the Compensation Committee.

Starting in 2009, the President and CEO evaluated the total targeted compensation of our executive officers by comparing our information to published compensation survey data from companies in our industry or similar industries with annual revenues similar to those of ours. We believe that our peer group consists of the following companies: RTI Biologics, Accuray, Cardiac Science Corp., Nuvasive and Exactech. This group was different than our prior peer group because we believe that the prior peer group included companies that either were not in

an industry that was similar enough to ours, or had revenues that were either significantly higher or lower than ours. We periodically evaluate this list to ensure that it is an accurate representation of our peers. The survey data included information on job duties, and target and actual total compensation at the median and 75th percentiles. The President and CEO and the Compensation Committee generally consider total targeted compensation for key employees to be within the market competitive range if total targeted compensation was between the median and 75th percentile.

Elements of Compensation and How Each Element is Chosen

As indicated above, compensation elements for our executive officers are designed to attract and retain individuals with exceptional ability for these key roles in a very competitive market for such talent. Certain elements of compensation serve other important interests. For example, annual incentive pay is designed to motivate the executive officers to attain our vital short-term goals. Long-term incentive pay in the form of equity awards vesting over a number of years aligns the executive officer's interest with that of our shareholders in seeing long-term increases in the value of our shares. The main compensation elements for our executive officers (salary, annual incentive, long-term incentive, and other benefits and perquisites) are described in more detail below.

For fiscal year 2009, each executive officer's compensation generally consisted of three elements: (i) base salary, (ii) cash bonus based upon our attainment of pre-established objectives; and (iii) long-term stock-based incentive awards designed to align the interests between our executive officers and our shareholders.

Base Salaries and Target Bonus Percentages

The President and CEO reviews the base salaries of the executive officers in the first quarter of each calendar year and determines whether any changes are appropriate for the then-current fiscal year. During such review, the President and CEO takes multiple factors into consideration. Base salaries of the executive officers are targeted at a competitive market median based on each respective position with individual variations explained by differences in experience, skills and sustained performance. In recognition of the challenging economic conditions that existed throughout 2009, none of our executive officers received an increase in base salary during 2009. In February 2010, however, the Compensation Committee approved the following increases to the 2010 salaries of our Named Executive Officers in consideration of the fact that salary increases were not given in 2009 and a comparison to the relevant salaries of comparable positions of members of our peer group. In addition, with respect to Mr. Kuyper, his 2010 target bonus percentage was reduced from 100% of his base salary to 88.2% of his base salary due, in part, to the increase in his base salary.

Name	2009	2010	Percentage	2009 Target	2010 Target
	Base Salary	Base Salary	Increase	Bonus Percentage	Bonus Percentage
Dirk Kuyper	\$375,000	\$425,000	13.3%	100%	88.2%
Peter C. Wulff	\$260,000	\$273,000	5%	50%	50%
Stephen Lubischer	\$245,000	\$249,900	2%	85%	85%
Jens Peter Timm	\$225,000	\$236,250	5%	50%	50%
Mitsuo Asai	\$284,775(1)	\$293,318(1)	3%	35%	35%

(1) For the purposes of this table, Mr. Asai's 2009 base salary was converted from Japanese Yen to U.S. Dollars using the exchange rate as of December 31, 2009.

Annual Incentive Compensation

Executive officers are eligible for incentive compensation annually under our non-shareholder-approved bonus plan. Within this plan, the Compensation Committee establishes annual incentive compensation that is based upon target awards expressed as a percentage of each executive's base salary. Payments under the bonus plan are determined based upon our performance against pre-established financial targets.

2009 Bonus Plan

In February 2009, the Compensation Committee approved the bonus plans for each of our executive officers, which we refer to collectively herein as the 2009 Bonus Plan. Under the 2009 Bonus Plan, our Named Executive Officers were eligible for cash bonuses for the 2009 fiscal year as further described below.

2009 Bonus Plan for Messrs. Kuyper, Wulff and Timm

With respect to each of Messrs. Kuyper, Wulff and Timm, the target cash bonuses for fiscal year 2009 were determined according to a formula expressed as percentages of the respective executive's base salary, and was subject to adjustments based on the percentage to which the targeted applicable performance criteria was achieved, which in 2009 was predicated 100% on the achievement of certain EBITDA targets generated in accordance with our 2009 operating plan that was approved by our Board of Directors. The Compensation Committee approved all financial criteria for the awarding of such cash bonuses and the President and CEO presented the financial criteria to Messrs. Wulff and Timm for their confirmation of the achievability of such criteria. In the event the executives exceeded such target levels, they were entitled to receive cash bonuses based on higher percentages of their respective base salaries. The table below sets forth for each of these executive officers the percentage of the base salary that such executive officer was eligible to receive as a cash bonus under the 2009 Bonus Plan upon the achievement of the target levels EBITDA.

<u>Name</u>	<u>2009 Base Salary</u>	<u>Bonus Percentage Upon 100% Achievement of EBITDA Performance Criteria</u>
Dirk Kuyper	\$375,000	100%
Peter C. Wulff	\$260,000	50%
Jens Peter Timm	\$225,000	50%

In 2009, we achieved a percentage of the EBITDA target that entitled each of Messrs. Kuyper, Wulff and Timm to 80% of his respective target bonus. 33% of the bonuses were paid in the first quarter of 2010, and the remainder is expected to be paid prior to the end of July 2010, provided the executive officer is employed by us on the day that the bonus is paid.

2009 Bonus Plan with Respect to Mr. Asai

With respect to Mr. Asai, the target cash bonus for fiscal year 2009 was determined according to a formula expressed as up to 35% of his base salary of 26 million Japanese yen, and was subject to adjustments based on the percentage to which the targeted applicable performance criteria was achieved. Mr. Asai was eligible to receive a cash bonus for 2009 based on the achievement of the following goals (i) a goal based upon total consolidated sales by Alphatec Pacific (which represented 50% of such bonus amount), (ii) a goal based upon total spine sales by Alphatec Pacific (which represented 25% of such bonus amount), and (iii) a goal based upon profits before taxes of Alphatec Pacific (which represented 25% of such bonus amount). The Compensation Committee approved all financial criteria for the awarding of this cash bonus and the President and CEO presented the financial criteria to Mr. Asai for his confirmation of the achievability of such criteria. In the event that the profits before taxes exceeded certain target levels, Mr. Asai was entitled to receive a cash bonus based on higher percentages of his base salary.

In 2009, Mr. Asai achieved a percentage of the spine revenue and profitability targets that entitled him to 65% of his target bonus. 33% of his bonus was paid in the first quarter of 2010, and the remainder is expected to be paid prior to the end of July 2010, provided Mr. Asai is employed by us on the day that the bonus is paid.

2009 Plan with Respect to Mr. Lubischer

With respect to Mr. Lubischer, the target cash bonus for fiscal year 2009 was determined based upon our achievement of certain sales goals in the U.S. Upon 100% achievement of all of such sales targets, Mr. Lubischer's bonus would have equaled 85% of his base salary of \$245,000. The Compensation Committee approved all financial criteria for the awarding of this cash bonus and the President and CEO presented the financial criteria to Mr. Lubischer for his confirmation of the achievability of such criteria. In the event that U.S. sales exceeded certain target levels, Mr. Lubischer would have been entitled to receive a cash bonus that was higher than the percentage of his base salary set forth above. Two-thirds of Mr. Lubischer's bonus was payable quarterly, based on the achievement of quarterly sales targets and one-third of Mr. Lubischer's bonus was payable following the end of the 2009 fiscal year, based on the achievement of an annual sales target.

In 2009, Mr. Lubischer achieved a percentage of the revenue target that entitled him to 67% of his target bonus. 50% of his year-end bonus (which is equal to one-third of the total bonus amount) was paid in the first quarter of 2010, and the remainder is expected to be paid prior to the end of July 2010, provided Mr. Lubischer is employed by us on the day that the bonus is paid.

With respect to all of the bonuses described above, we (or Alphatec Pacific with respect to Mr. Asai) had to have achieved a threshold of financial performance that was established by the Compensation Committee before any of these bonuses would become payable.

Equity Compensation Awards

Equity compensation has traditionally been an important element of our executive compensation program in order to align the interests of our executives with those of our stockholders. Because the value of the equity awards will increase only when we perform and increase stockholder value, the grant of such equity awards provides long-term incentives to the recipients thereof, including our executive officers. These awards not only serve to align the executives' interests with those of the stockholders over an extended period of time, but because they also generally are subject to vesting in connection with continued service to us over a specified period of time, these awards serve as an additional retention mechanism. The Compensation Committee believes that both of these elements are important factors in executive compensation.

New Hire Grants

Generally, we grant equity awards to our new employees, including our executive officers, in connection with the start of their employment. At the time of the hiring of any executive officer, equity compensation generally is negotiated between such officer and us. Generally, such negotiations are conducted by our President and CEO on our behalf. The Compensation Committee approves such negotiated equity compensation for newly hired executive officers. The size of such awards is determined based upon available information concerning the competitive packages offered to executives in similar jobs at companies with which we are competitive for personnel, but are not established based upon any formal survey or other comparative data. In addition, the President and CEO often adjusts such initial equity compensation grants as deemed appropriate to attract or retain specific candidates based on their experience, knowledge, skills and education and our needs. Other than with respect to the restricted stock granted to Mr. Kuyper, which vests quarterly over the course of four years, prior to November 2009, equity grants made to newly hired executive officers vested annually over either four or five years following the date of grant in equal installments on the anniversary of the date of grant, subject to the officer's continued employment with us. In November 2009, the Compensation Committee determined that all options issued after such date will vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches each three months thereafter.

Annual Equity Grants

Beginning in 2007, we have awarded our key employees, including our executive officers an annual stock option grant with the goal of providing continued incentives to retain strong executives and improve corporate

performance. Each year, including fiscal year 2009, the President and CEO makes a recommendation to our Compensation Committee regarding whether any equity incentive grant is appropriate for an executive officer and the amount of such grant. The Compensation Committee approves such annual equity grant for executive officers. In reaching their decision, the President and CEO and the Compensation Committee considers each individual's experience, the scope of such individual's responsibilities, his or her performance in the applicable role, and his or her expected future contribution to our goals and stockholder value. On August 4, 2009, following Compensation Committee approval, each of Messrs. Asai, Lubischer, Wulff, Timm and Kuyper received stock options to purchase 20,000; 20,000; 25,000; 20,000 and 50,000 shares, respectively, of our common stock as part of our annual option grant program. On November 5, 2009, the Compensation Committee approved a grant of options to purchase 20,000 shares of common stock to Mr. Lubischer as an additional bonus for Mr. Lubischer. This issuance to Mr. Lubischer was not made pursuant to the 2009 Bonus Plan, and was granted to Mr. Lubischer because he did not receive an equity grant in March 2009 (see "Equity Grants Made in March 2009"). The amount of the annual equity grant is evaluated so as to ensure that the grants are comparable to similarly-situated executives in comparable companies in our industry with whom we directly compete in our hiring and retention of executives. Prior to November 2009, merit based annual equity grants made to executive officers generally vested annually over the four years following the date of grant in equal installments on the anniversary of the date of grant, subject to the officer's continued employment with us. In November 2009, the Compensation Committee determined that all options issued after such date will vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches each three months thereafter.

Equity Grants Made in March 2009

On March 6, 2009, following Compensation Committee approval, Messrs. Kuyper, Wulff and Timm were granted options to purchase 50,000, 25,000 and 20,000 shares, respectively, of our common stock. These options were granted to the executives as an additional bonus amount for fiscal year 2008 based on the Compensation Committee's belief that despite the fact that we did not reach our 2008 EBITDA and revenue targets, we achieved certain other important milestones in 2008, including revenue goals and product development and launch milestones. These issuances were not made pursuant to the bonus plan that was approved by the Compensation Committee for 2008. These grants vest annually over the four years following the date of grant in equal installments on the anniversary of the date of grant, subject to the officer's continued employment with us.

Termination and Change in Control Based Compensation

Our Compensation Committee agreed to severance packages for our Named Executive Officers as part of the negotiations with each of these executive officers to secure his services. Our Compensation Committee approved the severance packages based on their experience serving on boards of directors and compensation committees of companies of a similar size and stage of development to us and their familiarity with severance packages offered to executive officers of such companies. Based on this knowledge, experience and information, we believe that the respective severance periods and provision of medical and similar benefit programs during such severance periods are both reasonable and generally in line with severance packages negotiated with executive officers of similarly situated companies.

In addition, pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our Named Executive Officers, in the event of a change in control, as defined in our Amended and Restated 2005 Employee, Director and Consultant Stock Plan, as amended, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

Other Compensation

We maintain broad-based benefits and perquisites that are provided to all employees, including health insurance, life and disability insurance, dental insurance, an employee stock purchase plan, and a 401(k) plan. We match all employee contributions to our 401(k) plan, including those of our executive officers. We also provide our President and CEO and all sales employees, including Mr. Lubischer, with a monthly automobile allowance. In particular circumstances, we also utilize cash signing bonuses when certain executives and senior level non-executives join us. Such cash signing bonuses are typically repayable in full to us if the recipient voluntarily terminates employment with us prior to the first anniversary of the date of hire. Whether a signing bonus is paid and the amount thereof is determined on a case-by-case basis under the specific hiring circumstances. For example, we have paid and will consider paying cash bonuses to compensate for amounts forfeited by an executive upon terminating prior employment. In addition, we may assist with certain expenses associated with an executive joining and maintaining their employment with us. For example, in 2009, we reimbursed our Vice President, Research and Development, for certain housing costs and/or expenses related to relocation and we purchased his Connecticut residence for an appraised price provided by a third party. In addition, in 2009 we reimbursed our President of Alphatec Pacific for rental expenses related to an apartment close in proximity to our corporate office in Japan and expenses related to the purchase of workman's accident compensation insurance. We believe these forms of compensation create additional incentives for an executive to join us in a position where there is high market demand. These forms of compensation are typically structured to not exceed certain monetary amounts and/or time periods.

(1) Mr. Kuyper joined us as our President and CEO in June 2007.

(2) Mr. Wulff joined us as our Chief Financial Officer, Vice President and Treasurer in June 2008.

(3) Mr. Timm joined us as our Vice President, Research and Development, in February 2008.

(4) Mr. Asai joined us as our President, Alphatec Pacific, Inc., in April 2008.

(5) The amounts shown represent bonus amounts outside of a plan that were paid in cash.

(6) The amounts shown are the aggregate grant date fair values of these awards computed in accordance with FASB ASC Topic 718, “Stock Compensation.” The assumptions and methodologies used to calculate these amounts are discussed in Notes 2 and 9 in the Notes to Financial Statements contained in the original filing of this Annual Report on Form 10-K with the SEC on March 2, 2010 (the “Form 10-K”). See also our discussion under Item 7 “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Critical Accounting Policies and Use of Estimates—Stock-Based Compensation” in the Form 10-K. The SEC’s disclosure rules previously required that we present stock award and option award information for 2007 and 2008 based on the amount recognized during the corresponding year for financial statement reporting purposes with respect to these awards (which meant, in effect, that in any given year we could recognize for financial statement reporting purposes amounts with respect to grants made in that year as well as with respect to grants from past years that vested in or were still vesting during that year). However, recent changes in the SEC’s disclosure rules require that we now present the stock award and option award amounts in the applicable columns in the table above with respect to 2008 and 2007 on a similar basis as the 2009 presentation using the grant date fair value of the awards granted during the corresponding year, regardless of the period over which the awards are scheduled to vest. Since this requirement differs from the SEC’s past disclosure rules, the amounts reported in the table above for stock awards and option awards for 2008 and 2007 differ from the amounts previously reported in our Summary Compensation Table for these years. As a result, to the extent applicable, each named executive officer’s total compensation amounts for 2008 and 2007 also differ from the amounts previously reported in our Summary Compensation Table for these years.

(7) The amounts shown represent the aggregate dollar amounts earned under the Company’s annual bonus plan. The amounts shown do not include any portion of the awards paid in grants of options to purchase shares of our common stock.

- (8) While base salaries were generally unchanged from 2008 to 2009, there were minor changes to actual salaries due to pay cycle difference between years. Specifically, there was one additional bi-weekly pay cycle in 2009 than in 2008 and 2007.
- (9) All other 2009 compensation for Mr. Kuyper consists of an automobile allowance of \$12,000 and matching contributions under our 401 (K) plan of \$8,961.
- (10) All other 2009 compensation for Mr. Lubischer consists of an automobile allowance of \$9,000 and matching contributions under our 401 (K) plan of \$6,301.
- (11) All other 2009 compensation for Mr. Timm consists of costs related to the sale of Mr. Timm's home of \$123,723, taxable relocation reimbursements of \$22,550, other relocation related costs of \$3,776 and matching contributions under our 401(K) plan of \$5,493.
- (12) All other 2009 compensation for Mr. Asai consists of rental expenses for an apartment in close proximity to our corporate office in Japan of \$32,574 and reimbursement of the premium on Mr. Asai's workman's accident compensation insurance policy of \$855.

- (1) The amounts shown reflect the potential payouts under the 2009 Bonus Plan. Except with respect to Mr. Lubischer, the amount shown in the "Threshold" column reflects the minimum payout level under the 2009 Bonus Plan, which could have been zero if the targets set forth in the 2009 Bonus Plan were not met. The amount shown in the "Maximum" column is 125% of the target bonus amount. Mr. Lubischer was entitled to receive quarterly and annual cash bonuses based on the achievement of quarterly and annual revenue goals, respectively, under his 2009 bonus plan. The amount shown in the "Maximum" column is 125% of Mr. Lubischer's target bonus amount. The actual amounts earned under the 2009 Bonus Plan are set forth in the Summary Compensation Table under Non-Equity Incentive Plan Compensation.
- (2) All stock options were granted under our Amended and Restated 2005 Employee, Director and Consultant Stock Plan, as amended (the "2005 Stock Plan") with an exercise price equal to the fair market value of our common stock on the date of the grant, which, in accordance with the 2005 Stock Plan is the closing price of our common stock on the date of the grant as reported on the NASDAQ Global Market.

- (3) The grant date fair value of the option awards has been computed in accordance with FASB ASC Topic 718. Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

Employment Agreements

In June 2007, we and Alphatec Spine entered into an employment agreement with Dirk Kuyper, pursuant to which Mr. Kuyper agreed to serve as our President and CEO. Pursuant to the agreement, the term of Mr. Kuyper’s employment expires on July 1, 2011. Pursuant to the agreement, Mr. Kuyper received an initial annual base salary of \$350,000, which amount has since been increased and is currently \$425,000, and he is eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year established by the Compensation Committee, with the payment of such bonus based on Mr. Kuyper’s achievement of performance objectives established by our Compensation Committee each fiscal year. For fiscal year 2009, Mr. Kuyper’s target bonus percentage was 100% of his base salary. In connection with the commencement of his employment, we granted Mr. Kuyper 690,000 shares of restricted common stock that vest and become non-forfeitable in 16 equal tranches. The agreement also provides for the reimbursement of up to \$1,000 per month for automobile-related expenses. For fiscal year 2009, Mr. Asai’s target bonus percentage was 35% of his base salary. In connection with the commencement of his employment, we granted Mr. Asai options to purchase up to 75,000 shares of our common stock. Mr. Asai also has a monthly travel allowance of 70,000 yen, provided that such amounts are used for travel between Tokyo, Japan and Mr. Asai’s home in Osaka, Japan. We also reimburse Mr. Asai for an annual premium associated with Mr. Asai’s purchase of a workmen’s accident compensation insurance policy. For purposes of the Summary Compensation Table, the average monthly exchange rate for conversion from Japanese Yen to U.S. Dollars was used to calculate the salary and all other compensation. The bonus amount was calculated in U.S. Dollars.

In June 2008, we and Alphatec Spine entered into an employment agreement with Peter C. Wulff, pursuant to which Mr. Wulff agreed to serve as our Chief Financial Officer, Vice President and Treasurer. Pursuant to the agreement, Mr. Wulff received an initial annual base salary of \$260,000, which amount has since been increased and is currently \$273,000, and he is eligible to receive an incentive bonus each fiscal year in an amount equal to a percentage of his annual base salary for such year, with the payment of such bonus based on Mr. Wulff's achievement of annual performance objectives established by our Compensation Committee at the beginning of each fiscal year. In connection with the commencement of his employment, we granted Mr. Wulff options to purchase up to 150,000 shares of our common stock. The options vest in 16 equal tranches.

In February 2008, we and Alphatec Spine entered into an employment agreement with Jens Peter Timm, pursuant to which Mr. Timm agreed to serve as our Vice President, Research and Development. For fiscal year 2009, Mr. Timm's target bonus percentage was 50% of his base salary. In connection with the commencement of his employment, we granted Mr. Timm options to purchase up to 75,000 shares of our common stock. The options vest annually in four equal tranches beginning on the first anniversary of the grant date. Pursuant to the agreement, we agreed to reimburse Mr. Timm for certain costs related to his relocation to Carlsbad, CA. In addition, pursuant to the terms of his employment agreement, in 2009 we purchased the Connecticut residence of Mr. Timm for an appraised price provided by a third party.

Equity Awards

All option awards granted to our Named Executive Officers in 2009 were granted pursuant to our 2005 Stock Plan with an exercise price equal to the closing price of our common stock on the date of grant and vest annually from the grant date in either four or five equal installments of 25% or 20%, respectively. In November 2009, the Compensation Committee determined that all options issued after such date will vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches every three months thereafter.

Pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our Named Executive Officers, in the event of a change in control, as defined in the 2005 Stock Plan and described below, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

Generally, a "change in control" shall occur on the date that: (i) any one person, entity or group acquires ownership of capital stock of us, together with our capital stock already held by such person, entity or group, constitutes more than 50% of the total fair market value or total voting power of our capital stock; provided, however, if any one person, entity or group is considered to own more than 50% of the total fair market value or total voting power of our capital stock, the acquisition of additional capital stock by the same person, entity or group shall not be deemed to be a change of control; (ii) a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election; or (iii) any one person, entity or group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person, entity or group) assets from us that have a total gross fair market value at least equal to 80% of the total gross fair market value of all of the assets of us immediately prior to such acquisition or acquisitions.

2009 Bonus Plan

As described in the Compensation Discussion and Analysis, except with respect to Messrs. Lubischer and Asai, under the 2009 Bonus Plan, cash bonuses were to be paid to our executive officers, including Messrs. Kuyper, Wulff, and Timm, based upon our achievement of certain EBITDA targets in fiscal year 2009. 100% of each executive's target bonus amount was predicated upon our EBITDA. The EBITDA goals were generated in accordance with the 2009 operating plan that was approved by the Board of Directors. Mr. Lubischer's bonus targets were based upon the achievement of certain revenue targets. Mr. Asai's bonus targets were based upon the achievement of certain spine revenue and profitability goals for our subsidiary, Alphatec Pacific. The Compensation Committee approved all financial criteria for the awarding of such cash bonuses and the President and CEO presented the financial criteria to the executive officers for their confirmation of the achievability of such criteria.

In 2009, we achieved a percentage of the EBITDA targets that entitled each of Messrs. Kuyper, Wulff, and Timm, to 80% of their respective target bonuses, 33% of which was paid in the first quarter of 2010, and the remainder of which is expected to be paid prior to the end of July 2010. In 2009, Mr. Lubischer achieved a percentage of the revenue target that entitled him to 67% of his target bonus. Two-thirds of Mr. Lubischer's bonus was payable quarterly in 2009 and one-third was payable in 2010. Of the amount payable in 2010, 50% was paid in the first quarter of 2010, and the remainder is expected to be paid prior to the end of July 2010. In 2009, Mr. Asai achieved a percentage of the spine revenue and profitability targets that entitled him to 65% of his target bonus, 33% of which was paid in the first quarter of 2010, and the remainder of which is expected to be paid prior to the end of July 2010. In all instances, the executive officer must be employed by us on the day that the remaining portion of the bonus is paid to be entitled to receive such payment.

In 2009, base salary and bonus payments for each of Messrs. Kuyper, Wulff, Lubischer, Asai and Timm represented 79.1%, 82.3%, 78.1%, 79.7% and 59.5% of their total compensation, respectively.

Potential Payments upon Termination or Change-in-Control

Termination of Employment and Change in Control Arrangements

The employment agreements with our Named Executive Officers provide certain benefits upon the termination of employment without cause. Such benefits are described in detail below.

In the event that Mr. Kuyper is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of 12 months, a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act, or COBRA, for a 12-month period following such termination date, and a “gross up” related to any taxes incurred in connection with such COBRA payments. In the event that Mr. Kuyper’s employment is terminated due to either his death or disability, we are required to pay Mr. Kuyper (or his estate, as the case may be) an amount equal to Mr. Kuyper’s target bonus for the fiscal year in which such termination occurred (with such amount pro-rated based on the date of termination). In addition, in the event of termination due to death or disability, any unvested stock options and restricted stock awards held by Mr. Kuyper shall become fully vested and not subject to forfeiture or repurchase.

In the event that Mr. Lubischer is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of at least three, but not more than 12 months, with such period being determined by us based on our desired length of the period of noncompetition, a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a “gross up” related to any taxes incurred in connection with such COBRA payments. During this time period, Mr. Lubischer shall be bound by certain obligations to not compete with us.

In the event that Mr. Asai is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of 12 months and a payment for any accrued but unused vacation days. In the event of Mr. Asai's death, 50% of his then current base salary would be payable to his estate.

In the event that Mr. Wulff is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of nine months and a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a "gross up" related to any taxes incurred in connection with such COBRA payments.

In the event that Mr. Timm is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of six months and a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a "gross up" related to any taxes incurred in connection with such COBRA payments.

Pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our Named Executive Officers, in the event of a change in control, as defined in the 2005 Stock Plan and described below, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

Generally, a "change in control" shall occur on the date that: (i) any one person, entity or group acquires ownership of capital stock of us, together with our capital stock already held by such person, entity or group, constitutes more than 50% of the total fair market value or total voting power of our capital stock; provided, however, if any one person, entity or group is considered to own more than 50% of the total fair market value or total voting power of our capital stock, the acquisition of additional capital stock by the same person, entity or group shall not be deemed to be a change of control; (ii) a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election; or (iii) any one person, entity or group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person, entity or group) assets from us that have a total gross fair market value at least equal to 80% of the total gross fair market value of all of the assets of us immediately prior to such acquisition or acquisitions.

Potential Post-Employment Payments Table

The table below reflects amounts payable by us to the Named Executive Officers (i) assuming their employment was terminated on December 31, 2009 and (ii) assuming a change in control occurred on December 31, 2009.

<u>Name</u>	<u>Voluntary Termination by Executive(1) (\$)</u>	<u>For Cause Termination(1) (\$)</u>	<u>Involuntary—Disability or Death(2) (\$)</u>	<u>Termination by the Company Without Cause Prior to a Change in Control(3) (\$)</u>	<u>Change in Control(3) (\$)</u>
Dirk Kuyper	45,155	45,155	2,325,420	408,682(4)	1,950,420
Peter C. Wulff	17,318	17,318	—	220,262(5)	200,625
Stephen Lubischer	33,271	33,271	—	278,682(6)	142,641
Jens Peter Timm	18,849	18,849	—	128,052(7)	119,438
Mitsuo Asai	16,992	16,992	142,388	284,775(8)	29,275

(1) The only post-employment payments due to Named Executive Officers who voluntarily terminate their employment or are terminated for cause would be accrued earnings and accrued but unused vacation through the termination date. Accrued vacation through termination, whether in connection with a voluntary termination or termination for cause, must be paid in accordance with California law.

- (2) If Mr. Kuyper had been terminated due to death or disability, his annual pro-rated target bonus of \$375,000 would have been payable to his estate, all unvested stock awards would have immediately fully vested and we would have waived our rights to repurchase any unvested stock awards, which totaled \$1,950,420 based on the closing stock price of \$5.34 as of December 31, 2009. If Mr. Asai had been terminated due to death, 50% of his then current salary would be payable to his estate.
- (3) Represents the intrinsic value of the unvested stock option and restricted stock awards as of December 31, 2009 that would have been accelerated had a change in control occurred on that date, calculated by multiplying the number of underlying unvested shares by the closing price of our stock on December 31, 2009 (\$5.34 per share) and, in the case of stock options, then subtracting the applicable option exercise price. As of December 31, 2009, Mr. Kuyper had 301,875 unvested restricted stock awards and Mr. Lubischer had 16,204 unvested restricted stock awards. As of December 31, 2009, Mr. Kuyper had 193,750 unvested stock options, Mr. Wulff had 162,500 unvested stock options, Mr. Lubischer had 69,296 unvested stock options, Mr. Timm had 103,750 unvested stock options and Mr. Asai had 80,000 unvested stock options.
- (4) Mr. Kuyper's post-employment compensation would consist of (a) a maximum of 12 months salary totaling \$375,000 payable monthly, (b) healthcare related benefits of \$16,039 and (c) tax gross ups on healthcare related benefits of \$17,643.
- (5) Mr. Wulff's post-employment compensation would consist of (a) nine months salary totaling \$195,000, (b) healthcare related benefits of \$12,029 and (c) tax gross ups on healthcare related benefits of \$13,233.
- (6) Mr. Lubischer's post-employment compensation would consist of (a) 12 months salary totaling \$245,000, (b) healthcare related benefits of \$16,039 and (c) tax gross ups on healthcare related benefits of \$17,643.
- (7) Mr. Timm's post-employment compensation would consist of (a) six months salary totaling \$112,500, (b) healthcare related benefits of \$7,406 and (c) tax gross ups on healthcare related benefits of \$8,146.
- (8) Mr. Asai's post-employment compensation would consist of 12 months salary totaling 26,000,000 Japanese Yen, or \$284,775. For the purposes of this table, the exchange rate from Japanese Yen to U.S. Dollars as of December 31, 2009 was used for the conversion.

This committee's role and responsibilities are set forth in its charter adopted by the Board, which is available on our website at www.alphatecspine.com. This committee reviews and reassesses its charter annually and recommends any changes to the Board for approval. The Audit Committee is responsible for overseeing our overall financial reporting process, and for the appointment, compensation, retention, and oversight of the work of Ernst & Young LLP. In fulfilling its responsibilities for the financial statements for fiscal year ended December 31, 2009, the Audit Committee took the following actions:

- Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2009 with management and Ernst & Young LLP, our independent auditors;

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Our records reflect that all reports which were required to be filed pursuant to Section 16(a) of the Exchange Act were filed on a timely basis, except that one initial report of ownership was filed late by HGP II, LLC and 15 reports, in the aggregate, of a change in beneficial ownership were filed late by each of the following: Messrs. Kuyper (four reports regarding four transactions), Lubischer (two reports regarding two transactions), Stott (two reports regarding two transactions), Garner (two reports regarding two transactions), Timm (two reports regarding two transactions), Wulff (one report regarding one transaction), Molson (one report regarding one transaction) and Hochschuler (one report regarding one transaction).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with our Officers, Directors and Principal Shareholders

For the year ended December 31, 2009, we incurred costs of \$0.2 million related to reimbursement of travel expenses to Foster Management Company and HealthpointCapital, LLC., including for the reimbursement of Foster Management Company's airplane. Foster Management Company is an entity owned by John H. Foster, a member of our Board. Based upon a competitive analysis of comparable leased aircraft, our Board determined that the hourly reimbursement rate is at or below market rates for the charter of similar aircraft.

In 2005, we and Alphatec Spine entered into an agreement with Dr. Stephen H. Hochschuler, who became one of our directors in October 2006, pursuant to which Dr. Hochschuler agreed to serve as the Chairman of our Scientific Advisory Board. Pursuant to the agreement we pay Dr. Hochschuler for attending Scientific Advisory Board meetings and he received equity compensation in connection with the agreement. In October 2006, we and Alphatec Spine entered into a Consulting Agreement with Dr. Hochschuler. Pursuant to the terms of the agreement, we agreed to appoint Dr. Hochschuler to our and Alphatec Spine's Board of Directors until the next annual meeting of each of its stockholders or until his successor is duly appointed and qualified. Pursuant to the agreement, Dr. Hochschuler is required to provide advisory services to us related to the spinal implant industry and our research and development strategies. The agreement had an initial term of three years, and in October 2009 it automatically renewed for an additional year. The agreement will continue to automatically renew each year unless it is terminated prior to its automatic renewal date in October. In return for such advisory services, we paid Dr. Hochschuler cash and equity compensation. In 2009, we paid an aggregate of \$0.2 million to Dr. Hochschuler pursuant to these agreements.

In 2009, we incurred costs of \$0.2 million for legal services paid on behalf of HealthpointCapital in connection with a litigation matter in which both we and HealthpointCapital were named as defendants.

In June 2009, we entered into a subscription agreement with HealthpointCapital Partners II, L.P., pursuant to which we sold 3,937,007 shares of our common stock at a price of \$2.54 per share in a private placement to HealthpointCapital Partners II, L.P. for an aggregate purchase price of approximately \$10.0 million.

In November 2009, the Company purchased the Connecticut residence owned by Jens Peter Timm, our Vice President, R&D. The purchase was transacted at a third-party appraised price of \$0.4 million. The Company subsequently engaged a real-estate firm to manage and sell the property. The Company incurred expenses related to the sale of the property of \$0.1 million.

Acquisition of Scient'x and Related Agreements

On March 26, 2009, we acquired 100% of the outstanding shares of Scient'x S.A., or Scient'x, a global medical device company based in France that designs, develops and manufactures surgical implants to treat disorders of the spine. The transaction, which we refer to as the Share Purchase, was structured as an all stock transaction such that 100% of outstanding Scient'x stock was exchanged pursuant to a fixed ratio for 24,000,000 shares of our common stock. The consideration paid for the 100% of outstanding Scient'x stock was 23,730,644, which reflected a reduction in the 24,000,000 shares calculated at the closing in exchange for our payment of

certain fees and expenses incurred by HealthpointCapital Partners, L.P. and HealthpointCapital Partners II, L.P., which we otherwise refer to collectively as HealthpointCapital, in connection with the Share Purchase. Alphatec shareholders who owned shares of our capital stock prior to the Share Purchase own approximately 69% of the combined company and approximately 31% is owned by former Scient'x shareholders.

Prior to the Share Purchase, HealthpointCapital and their affiliates in the aggregate held approximately 39.5% of the shares of our common stock and approximately 94.8% of the shares of Scient'x as of February 1, 2010. Accordingly, they received shares of our common stock in connection with the Share Purchase proportional to their ownership interests in Scient'x. Five of our directors, Mortimer Berkowitz III, John H. Foster, R. Ian Molson, Stephen E. O'Neil and Stephen H. Hochschuler, M.D., are beneficial owners of or affiliated with HealthpointCapital, LLC, which is the ultimate parent of HealthpointCapital, and Messrs. Berkowitz, Foster and Molson are also directors of either Scient'x or any affiliate of Scient'x. Following the Share Purchase, HealthpointCapital, collectively, owns approximately 38.2% of our common stock based on shares outstanding as of June 15, 2010.

In connection with the Share Purchase, we entered into a corporate governance agreement with HealthpointCapital, pursuant to which HealthpointCapital has agreed generally not to, directly or indirectly, and subject to certain exceptions, effect, seek, offer or propose to effect or participate in any arrangement or scheme to acquire any of our securities, to join any group regarding any transaction to acquire our securities, or to make any public announcement with respect to, or submit an unsolicited proposal for or offer of (with or without condition), any extraordinary transaction involving us or our securities or assets. However, HealthpointCapital may make a proposal to an independent committee of our board of directors with respect to certain of these transactions, so long as any such proposal is not publicly disclosed. HealthpointCapital has further agreed that if it becomes aware that it beneficially owns more than a permitted number of our shares set forth in the agreement, then it shall promptly take all action necessary to reduce the number of beneficially owned shares in the aggregate to a permitted number of shares.

HealthpointCapital has also agreed that it will not transfer or permit any of its affiliates or associates to transfer any of its shares, except for transfers where no transferee would beneficially own more than the number of shares beneficially owned by HealthpointCapital as of the date of the agreement, transfers to its controlled affiliates, provided that such affiliate becomes a signatory to the agreement, transfers pursuant to a tender or exchange offer, merger or other business combination approved by the board of directors, transfers approved by an independent committee of the board of directors, or transfers to its limited or general partners, if, as a result, no transferee would beneficially own more than the number of shares held by HealthpointCapital as of the date of the corporate governance agreement.

In connection with the closing of the Share Purchase, we entered into a registration rights agreement with HealthpointCapital and the other Scient'x shareholders, which we refer to collectively as the Registration Rights Holders, pursuant to which the Registration Rights Holders have registration rights with respect to the shares issued in the Share Purchase and any other of our shares held by such stockholders that constitute "restricted securities" under Rule 144 of the Securities Act, which we refer to as the Registrable Shares.

Pursuant to the registration rights agreement, the Registration Rights Holders have demand and piggy-back registration rights with respect to the Registrable Shares. At any time after June 24, 2010, HealthpointCapital may demand that we register all or a portion of the Registrable Shares for sale under the Securities Act, so long as the market value of such securities on the date of such request is at least \$10 million or represent 3% of the total outstanding shares of our common stock. We will effect the registration as requested, unless disinterested members of our board of directors determine that such registration would materially interfere with any pending or contemplated acquisition, divestiture, financing, registered primary offering or other transaction, or would be materially detrimental to us and our stockholders, in which case we will have the right to defer such registration for a period of up to 60 days.

In addition, if at any time we register any shares of our capital stock, other than in connection with (i) a registration pursuant to an exercise of demand rights described above, (ii) a registration relating solely to a business combination or merger involving us, (iii) a registration relating solely to our employee benefit plans, (iv) a registration relating to our reorganization or other transaction under Rule 145 of the Securities Act, or (v) any registration on any form that does not include substantially the same information as would be required to be included in a registration covering the sale of Registrable Securities, the Registration Rights Holders are entitled to notice of the registration and to include all or a portion of their Registrable Shares in the registration.

A holder's right to demand or include Registrable Shares in a registration is subject to the right of the underwriters to limit the number of shares included in the offering.

Subject to certain exceptions and provided our officers and directors enter into similar agreements, in connection with a piggy-back registration, the Registration Rights Holders have agreed that they will not effect any public sale or distribution of our common stock, enter into a transaction which would have the same effect, or enter into any swap, hedge, or other arrangement that transfers, in whole or in part, any economic consequences of ownership of such securities, or publicly disclose the intention to make any such offer, sale, pledge or disposition, or to enter into any such transaction, swap, hedge or other arrangement, during the 10 days prior to and the 90 days after the effective time of any underwritten piggy-back registration in which any of such Registration Rights Holder's Registrable Shares are included.

The registration rights agreement contains customary provisions allocating rights and responsibilities and obligating us and the Registration Rights Holders to indemnify each other against certain liabilities arising from any registration of securities.

Related Party Transaction Policies

Our officers, directors and affiliates are required to obtain Audit Committee approval for any proposed related party transactions. In addition, our code of conduct requires that each director, officer and employee must do everything he or she reasonably can to avoid conflicts of interest or the appearance of conflicts of interest. The code of conduct states that a conflict of interest exists when an individual's private interest interferes in any way with our interests and sets forth a list of broad categories of the types of transactions that must be reported to our compliance officer. Under the code of conduct, we reserve the right to determine when an actual or potential conflict of interest exists and then to take any action we deem appropriate to prevent the conflict of interest from occurring.

The Audit Committee has appointed Ernst & Young LLP, independent public accountants, to audit our financial statements for the fiscal year ending December 31, 2010. The Board of Directors proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements for the fiscal year ended December 31, 2009. We expect that representatives of Ernst & Young LLP will be present at the Annual Meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by Ernst & Young, LLP for the audit of our annual financial statements for the years ended December 31, 2009 and December 31, 2008, and fees billed for other services rendered by Ernst & Young, LLP during those periods.

The total 2009 audit related fees were for due diligence, accounting consultations and other services provided in connection with our acquisition of Scient'x.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

Consistent with Securities and Exchange Commission's policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent public accountant. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent public accountant.

Prior to engagement of our independent public accountant for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the review of financial statements, as well as work that generally only an independent public accountant can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent public accountant, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by an independent public accountant's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories. We generally do not request such services from our independent public accountant.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent public accountant and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent public accountant for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent public accountant. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent public accountants, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal at the Annual Meeting is required to ratify the appointment of the independent public accountants.

The board of directors recommends a vote to ratify the appointment of Ernst & Young LLP as independent public accountants, and proxies solicited by the board of directors will be voted in favor of such ratification unless a stockholder indicates otherwise on the proxy.
