Alphatec Spine Announces Appointment of David H. Mowry to its Board of Directors

Brings over 28 years of orthopedic and medical device experience to Alphatec

CARLSBAD, Calif., Feb. 14, 2017 (GLOBE NEWSWIRE) -- Alphatec Holdings, Inc. (Nasdaq:ATEC), the parent company of Alphatec Spine, Inc., a provider of spinal fusion technologies, announced today that its board of directors has appointed David H. Mowry as a member of the board of directors effective February 8, 2017. Mr. Mowry will be replacing Siri S. Marshall who notified the Company that she was resigning from the Board, effective as of February 8, 2017. Mr. Mowry is qualified as an independent director under the definition established by Nasdaq.

Mr. Mowry is President and Chief Executive Officer of Vyaire Medical, recognized global leader in the respiratory diagnostics, ventilation, and anesthesia delivery and patient monitoring market segments. Prior to Vyaire Medical, Mr. Mowry held senior leadership positions within orthopedics, spine and medical device industries, including Chief Operating Officer at Wright Medical until 2016 and President and Chief Executive Officer of Tornier from 2013 to 2015. Within the spine industry, Mr. Mowry served as Vice President of Operations and Logistics at Zimmer Spine. Mr. Mowry intends on limiting his board participation to Alphatec (outside of Vyaire) in order to fully engage with Alphatec and remain focused on helping the Company pursue its goals.

"Dave brings a wealth of proven business and leadership experience within the orthopedic and spine industries," said Terry Rich, Chief Executive Officer of Alphatec Spine. "Dave has been a key mentor in my career and I am excited to work with him again. His decision to join the board demonstrates confidence in our vision and ability to build a high-growth U.S. spine company through innovation and value creation. We look forward to his counsel and benefitting from his impressive background and expertise."

Dave H. Mowry commented, "Alphatec is at a pivotal point in its evolution with a strong portfolio of spinal fusion products, its focus on the U.S. market and its new, spine-experienced leadership team. I have had the pleasure of working with Terry and several of his new commercial leaders in the past. We share a common approach for delivering results and I am excited about being engaged with him and his team. I look forward to contributing to the achievement of their strategic goals and supporting Alphatec's future growth."

Mr. Mowry, age 54, has served as President and Chief Executive Officer of Vyaire Medical since May 2016. From October 2015 to May 2016 he served as Executive Vice President and Chief Operating Officer and member of the board of directors of Wright Medical Group N.V. (Nasdaq:WMGI). Between September 2015 and November 2016 he was a member of the board of directors of EndoChoice Holdings, Inc. Prior to Wright Medical, Mr. Mowry served as President and Chief Executive Officer and member of the board of directors of Tornier N.V. from February 2013 until completing the merger with Wright Medical in October 2015 and as Chief Operating Officer of Tornier from 2011 to 2013. Prior to this, Mr. Mowry held executive leadership positions at Covidien, ev3, and Zimmer Spine. Mr. Mowry received a B.S. in Engineering from the United States Military Academy at West Point.

Further information regarding the Company's appointment of David H. Mowry to its board of directors is set forth in a Current Report on Form 8-K that was filed with the U.S. Securities and Exchange Commission (SEC) on February 14, 2017 and is available on both the SEC's website at www.sec.gov and the Company's website at www.alphatecspine.com.

About Alphatec Spine

Alphatec Spine, Inc., a wholly owned subsidiary of Alphatec Holdings, Inc., is a global medical device company that designs, develops and markets spinal fusion technology products and solutions for the treatment of spinal disorders associated with disease and degeneration, congenital deformities and trauma. Forward Looking Statements

This press release may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform

Act of 1995 that involve risks and uncertainty. Such statements are based on management's current expectations and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. Alphatec Spine cautions investors that there can be no assurance that actual results or business conditions will not differ materially from those projected or suggested in such forward-looking statements as a result of various factors. Forward-looking statements include the Company's ability to build a high-growth U.S. spine company through innovation and value creation and the Company's ability to achieve its strategic goals. The words "believe," "will," "should," "expect," "intend," "estimate" and "anticipate," variations of such words and similar expressions identify forward-looking statements, but their absence does not mean that a statement is not a forward-looking statement. Please refer to the risks detailed from time to time in Alphatec Spine's SEC reports, including its Annual Report Form 10-K, as well as other filings on Form 10-Q and periodic filings on Form 8-K. Alphatec Spine disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, unless required by law.
